# Your Task

Today you are going to write a letter to a recipient of your choosing about a subject of your choosing.

Using what you have learnt about the style of letters, you need to choose whether your letter is going to be formal or informal. This will depend on who you are writing to and for what purpose. If you need reminding about the style of formal/informal letters go back to the slides from previous lessons.

## **You could write to:**

- An elderly neighbour who lives on their own to see how they are
- A relative who lives close but you cannot visit
- A relative who lives further away and you haven't seen in a while
- A friend from school
- Boris Johnson
- Someone who you look up to or aspire to be like e.g. Usain Bolt

These are just ideas so please feel free to write to anyone who you want to.

It would be lovely if you could actually post them and see if you get a reply!
