

## Home Learning Grid Y5 – Autumn 1

We appreciate that some weekends are busier than others; therefore we are giving you the flexibility to complete home learning tasks in your own time. Instead of checking weekly we have decided to take homework books in over half term to monitor progress with home learning. Below are 15 home learning tasks for you to complete during the half term. There are 5 tasks for Maths and English and 5 creative tasks to choose from. You are expected to complete **ten tasks** over the half term.

Please ensure you return your home learning book to school in the last week of half term.

<b>English</b>	<b>Maths</b>	<b>Creative</b>
<p><b><u>Narrative</u></b> On YouTube, watch, 'A short story on kindness – must see'. Retell the story in your own words. You will need to plan and include: character and setting description. Include the theme of KINDNESS. Don't forget to use a range of punctuation including: capital letters, verbs, adjectives and expanded noun phrases. Try to impress us by using exciting vocabulary and description.</p>	<p><b><u>Place value</u></b> Generate some (20 in total) 3, 4, 5 and 6-digit numbers (use dice or google number generator or <a href="http://www.random.org">www.random.org</a>), write the number generated and partition.</p>	<p><b><u>Science - Materials</u></b> Design a coat for each season of the year. Annotate describing the type of material used and why.</p>
<p><b><u>Poetry</u></b> Write an ACROSTIC poem using the word: J O U R N E Y</p>	<p><b><u>Times Tables</u></b> Complete a multiplication grid. Choose a times tables you find the most difficult.</p>	<p><b><u>Well-being</u></b> Complete an activity that helps your mental wellbeing. Examples Mindfulness colouring</p>
<p><b><u>Diary Writing</u></b> Write a diary over an average week of your life. Remember diaries are personal and therefore written in the first person. They include thoughts, feelings, as well as hopes and desires for the future. Your diary should include at least 5 entries and span over at least a week.</p>	<p><b><u>Addition and subtraction</u></b> Generate pairs of 2 or 3 digit numbers. Complete 10 addition calculations and 10 subtraction calculations (remember when subtracting to take the smaller number away from the larger number). Use the column method and show your working out.</p>	<p><b><u>Humanities</u></b> Research one major city in China. Find 10 interesting facts and create a fact file or poster to show them.</p>
<p><b><u>Recount</u></b> Write a recount of a journey you have made. Include:</p> <ul style="list-style-type: none"><li>• 5 W's (Who? What? Where? When? Why?)</li><li>• First person</li><li>• Informal language</li><li>• Use expanded noun phrases.</li></ul>	<p><b><u>Multiplication</u></b> Generate some 2 or 3-digit numbers and multiply them by other generated 1 or 2-digit numbers. Complete 15 calculations. Use the column method and show your working out.</p>	<p><b><u>Art</u></b> Look at 'The great Wave' by Hokusai. Recreate this image using any art form that you wish. This could include: painting, drawing, pastels, 3-D, materials.</p>

**Postcard**

Write a postcard to a friend or family member from a seaside resort. Draw a picture on one side. Address and message on the other side.

**Division**

Choose 20 times table facts and write the four number sentences, including the inverse for that times tables.

e.g.

$$2 \times 3 = 6$$

$$3 \times 2 = 6$$

$$6 \div 3 = 2$$

$$6 \div 2 = 3$$

**DT**

A shoe box of objects that you would take on a journey. The objects can be real (e.g. sunglasses) or photos, drawings of those objects that you can't fit into a shoebox (or similar).
