Dear Year 6 Parents/ Guardians,

SATs Information Evening, Thursday 9th March, 6-7 pm

We are very proud of the effort being made by our Year 6 pupils as they prepare for their SATs papers and we would like to thank you for the support that you are giving your child with their homework.

We will be holding an information evening on **Thursday 9th March** at 6pm to which all parents/carers of Y6 children are invited.

SATs are statutory for all Y6 children who attend state schools in England and our aim is for all Y6 IVJS children to achieve the very best results that they are able to within a supportive and caring environment.

On the evening, we aim to provide up-to-date information on:

- Dates of the tests
- What happens during a test
- The different SATs papers the children will be taking
- How the papers will be marked (including scaled scores)
- How the results will be sent out to parents and secondary schools
- What the results mean for your child
- Ideas on how to support your child at home

So that we can plan for the evening, please fill out the form and send it back in with your child; this will give us an idea of numbers.

We look forward to seeing you at the evening and hope it is beneficial to both you and your child. As always, please do come and see one of us, or send a message, if you have any questions.
