Well done Rowling Class!

This Week In School...

Year 3 – have read a new tale called *The Singing Ringing Tree* which they are using to inspire their writing. In Maths, they have been looking at statistics, conducting their own surveys and presenting the data in different forms.

Year 4 – have written a descriptive letter about Noah's adventures from their class book, *Noah Barleywater Runs Away*. Year 4 have been tackling division in Maths and have learned all about the mummification process and how electrical plugs work!

Year 5 – have been on a trip into deep space as they finished their solar system projects (they look great and were a perfect follow up to the trip to the Science Museum)!

They've also been learning about decimals in Maths and learning how to write persuasive emails in English (they are even trying to convince someone to go to space)!

Half of Year 5's have also been incredibly busy practising for Echoes!

Year 6 – have been finalising writing a newspaper report in English. The children have also been working on writing a non-chronological report in Science about how we see things. They have been learning about the features of rivers as part of our Humanities topic and had the opportunity to build on this during our fantastic trip to Denham Country Park.

Lower School Basketball

Tournament

On Tuesday, IVJS competed in their first ever County Final! With the best basketballers from around the County, the competition was always going to be tough, IVJS played seven games, winning two of them to put them sixth overall! What a tremendous achievement it was to get there and to compete! A huge well done to all our Basketballers, you made IVJS very proud!

Red Nose Day!

Today is Red Nose Day and here at IVJS, we celebrated by wearing red to show our support for Comic Relief.

We have had a brilliant week of fundraising, selling out of Red Noses on Wednesday, raising a total of £300 and an extra money today for non-uniform day donations.

We would also like to thank you everyone who donated and everyone who bought Red Noses, every penny counts!

Please remember to check your children's hair for nits!

Don't forget we are a nut free school as we have children who have allergies! (let's leave them for the squirrels)

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

8 th – 24 th Apr EASTER HOLIDAYS	
8 th – 12 th	Holiday Club!
24 th Apr	Children return to school. (Wednesday)

Denham Country Park Trip

Year 6 enjoyed a great - if rather wet - day out at Denham Country Park on Thursday. Although the weather wasn't particularly kind at the start of the day, it did improve as the day went on and they even saw a glimpse of the sun! During the day the children took part in three activities: River Dipping, River Dynamics and a Wild Walk. During River Dipping, they were able to find a variety of river life and look at them closely with magnifying glasses in order to identify them; during River Dynamics the children took part in scientific investigations to measure the width of the river, the depth of the river and the rate of flow of the river; and on the Wild Walk, they explored the park and visited the canal lock (this even included a game of Pooh Sticks!) A great day was had by all and we were very impressed with the children's behaviour and with how much they have learned so far from the Year 6 river topic!

Science Museum Trip

The children in Year 5 enjoyed a fantastic visit to the Science Museum in London. They visited the Wonderlab, testing out a range of science experiments, and *experienced* the film 'A Beautiful Planet' in the glorious IMAX Cinema.

School Lunches

Thank you to all the parents who pre-order their children's lunches however we would ask that if your child is not going to be in school that you cancel your child's lunch for that day to avoid being charged for lunches not taken. Thank you.

Tomato Plant Competition!

This week, every child was given a tomato plant to take home as their project. The plants were donated by Iver Flowerland to help our children learn where food comes from. We would love to see your pictures of how your tomato plants are growing and any other plants you have to display in the school to encourage us all to keep growing! Thank you to Mrs Poole for collecting the plants from Flowerland and Miss Berry and Miss O'Connell for potting 240 plants!

PGL Update (Current Yr 5s)

Please note, the full payments are now due for the PGL trip in October this year. Please remember to make any outstanding payments by the end of the month to make sure your child's place is secured.

Unfortunately, we will be unable to keep any unpaid places on the trip. If you are having any issues with the payments system, please do not hesitate to contact our school business manager.

This Week's Staffie Award!

This week's 'Staffie' was given to the teachers of the week, Miss Naulls and Miss Ghedia for all of their brilliant work organising the Echoes 8 performance!

Ivertastics!
Well done to;
Alina and Ria
B!

Events At Iver Flowerland!

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
