Well done Rosen Class!

This Week In School...

Year 3 – have been learning about the properties of 2D and 3D shapes in Maths. They have also started to explore perimeter, finding the perimeters of rectangles. In English, they have started to retell the story of the Heavenly Elephant from a different perspective.

Year 4 – have learnt about statistics and handling data in Maths. They have also learnt to draw and interpret both line graphs and bar charts. In English, they have begun to write a continuation of the adventures of Edward Tulane.

Year 5 – have been learning about translation and rotation of shapes in Maths. In English, they have begun to write a newspaper article about a missing spaceship based on their class reader. They have also been planning routes using co-ordinates in Humanities.

Year 6 – have been sitting their SATs. They have started each day with breakfast in the Diner, enjoying their teachers serving them! We are so proud of them all and of the effort they have put in working towards the tests - well done Year 6!

Reading Rocks!

Don't forget to RSVP to our Reading Rocks event on Friday 25th May 2018. We would like to invite any parents or guardians to come into school on the day between 8:30 -9:30am to share one of our many wonderful books. Please come and make yourselves comfortable in our lovely library with your child, a cup of tea, a biscuit and a good book.

Well Done Year 6s!

We are all so incredibly proud of all of our Year 6s for their hard work and commitment to their SATs exams this week. Every single pupil has really pushed themselves and had such a mature attitude towards the exams. Now it's the end of year production to look forward to!

Lost Property

While we are enjoying some summer sunshine (mostly), we are taking the opportunity to put our lost property items outside at the end of the school day (weather depending).

This should give everyone on chance to find those missing jumpers!

Holiday Club

Holiday club will be taking place over the half term from Tuesday 29th to Thursday 31st May.

To book your child into holiday club and for more information regarding costs and activities,

Rights Respecting Schools - Article 23

This month the article from the United Nations Convention on the Rights of the Child is Article 23.

'Every child has the right to special education and care if they have a disability so that they can live a full life.'

At The Iver Village Junior School we believe everyone is special and we value and celebrate our differences. Every child throughout the world who has a disability should be provided with the right support and help so they can live their life to the full. Children who have a disability are not necessarily ill or in need of a cure. Some children can have learning difficulties, be a wheelchair user or be partially deaf or visually impaired or have speech difficulties. Many disabled children go on to become very influential people. Some famous people with disabilities are: Tanni Grey-Thompson who is a successful athlete, she has spina bifida and is a wheelchair user. Stephen Hawking who was a physicist and had motor neuron disease. Will.I.am who is a musician and music producer, who has a hearing loss and tinnitus and the very famous author Agatha Christie who had dyslexia. All these people prove that if we treat each other with kindness and respect, we can all grow up developing our own talents and skills, so we can all be the best we can be.

**Talk time! In what ways are we all different? Are all disabilities visible?
Why is it important to think about how someone may have a hidden disability?
Can you find out about any more celebrities who have a disability?**

Class Photos

Next Thursday, our photographer will be coming into school for this year's class photos.

Messy Church Is Back!

We are holding "Messy Church" again this coming Sunday (20th May) at 3.30pm at St Peter's church in Iver. It is a really fun afternoon with lots of different crafts with some singing and games and a short talk. We have a light tea at 4.45pm and finish at 5pm.

It is open to all primary school aged children and their families (children have to be accompanied with a responsible adult). Often the adults enjoy the crafts as much as the children!

Finally, it is FREE and no need to book, just turn up at 3.30pm on Sunday.

Blake Class Goes Purple!

Thank you to our friends at Mars who came in this week to give Blake Classroom a spruce up. It looks lovely!

Walk To School Week

Next week we will be promoting active ways to travel to school with exciting competitions, prizes and more! What is active travel? Walking, cycling, scooting, and Park & Stride are all excellent forms of active travel. What to expect: scavenger hunt competition, storyboard competition, stickers for active travelling and wear slippers in school for a £1- all donations will go towards our outdoor classroom! Friday 25th May is Slipper Day. So come to school in your shoes and then when you are in class give your feet a treat and slip on your slippers. You will need to wear shoes on the playground at break times but for the rest of the day we look forward to seeing your super slippers.

P4C - Question of the Week

Is it more important to be liked or to be respected?

Don't forget to book Bluebells and Early Birds online.

Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3>

or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us.** Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
