## Attendance and Lates this week…

| | Daisy | Buttercup | Rose | Primrose | Daffodil | Snowdrop | Foxglove |
|---|---|---|---|---|---|---|---|
| **Attendance** | 93% | 95% | 96% | 96% | 99% | 95% | 98% |
| **Lates** | 1 | 4 | 5 | 8 | 0 | 0 | 3 |

## This week in school…

**Year 3 –** have been writing their own diary entries from the points of view of a bee as well as learning all about the life cycle of a plant and planting their own flowers!

**Year 4 –** have been planning and drafting an informative leaflet on volcanoes explaining how and where they are formed. They have used research from Humanities lessons and their homework. They have also looked at statistics and learnt about bar and time graphs.

**Year 5 –** have continued to create codes for their very own computer games! Some of our Year 5's have also visited Burnham Grammar to represent our school in their Maths Challenge Day.

**Year 6 –** have discovered that their production will be *Oliver* so they have written a film review this week.

### Railway Safety

Network Rail are busy modernising the Great Western route to create faster, more reliable services, better stations and increased freight capacity. This is the biggest investment in the Great Western railway since Brunel built it more than 150 years ago. As part of the Railway Upgrade Programme, the railway lines in our area - between West Drayton and Maidenhead - will shortly be electrified in preparation for electric train services starting in 2016 and Crossrail services in 2019. The safety of people on and around the railway is a priority and education in railway safety is key; especially for young people. As a result of this, Years 5 and 6 will be learning about electrification on the railway, level crossings and general railway safety on Thursday 9th June.

### Homework Project For WaterAid

Every minute, every day, people suffer and lives are lost needlessly because of a lack of safe water and sanitation. With this in mind, the final charity we will be supporting this year will be Water Aid. Children will be designing a label for a water bottle to help their class collect loose change. Eco-school will then judge this competition and choose the winning label for each class and the overall winner will be displayed in reception ready to start raising money.

We will also be having a water themed mufti day on 14th July where the children can use their imagination to come up with water inspired costumes for example mermaids, pirates, fish or even a lifeguard! Alternatively you could wear something blue for the day.

*School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'*

### A Message from Dolce
**Please remember not to let your school dinners account go over 3 days without payment, equivalent to £7.20. Dolce reserves the right to refuse service if debts are over this amount.**
**Parents will be contacted should their account go over this amount however, parents will be informed of refusal of service the day before so provisions for a packed lunch can be made.**
**Please contact the school office if you wish to set up a direct debit instead.**

### A Day for Change
On Friday 27th May, we will be holding *Day for Change* to raise money for Unicef.
On the day, we will be asking everyone to come to school wearing blue for a donation of £1.
This will help raise money to provide aid for children who have had their lives turned around by the chaos of war and remain living in dangerous conditions.

### No Daffodil Swimming Next Week
Please be aware that Daffodil class will not be going to their usual swimming lessons next Friday.
Lessons will resume as normal from Friday 10th June.
Thank you.

### Year 5 Tesco Trip
Please remember bring in your slips and payment for the Year 5 trip to Tesco by Friday 27th May.
It is essential permission slips are in to ensure we have all the relevant medical and dietary information for everyone attending the trip.

### Year 3 Verulamium Museum Trip
Next week, our Year 3s will visit the Verulamium Museum as part of their learning about the Romans.
If anyone has yet to bring in their permission slip, please do so by Monday.

Thank you.

### Sewing Club!
Our wonderful sewing club have been very hard at work this half term creating some wonderful projects including these fantastic beanbags created by Angelina and Amy. What a wonderful job both of you!

**Active Kids** (Sainsbury's)

Don't Forget we are still collecting Active Kids Vouchers!

### Thunk of the week!
If I chop a tree down and start writing on it, does it become a table? What if I don't chop it down but climb up it and start to write on it?

MENU
