### This Week In School...

**Year 3** – have been busy finishing writing up their diary entry about the Iron Man in English. They have used lots of description and used their feelings and thoughts to empathise with a character. In Maths, the children have been busy working out the perimeter of polygons.

**Year 4** – have been busy preparing for their Christmas Production next week. In English, they have been writing instructions about how to make a robot from recycled items. In Maths, they have started learning about division.

**Year 5** – have been continuing their learning about the Greeks by writing a diary entry of Odysseus' voyage back to Ithaca as well as learning about the Battle of Marathon. In Maths, they have been continuing to develop their arithmetic skills in division, learning the long method.

**Year 6** – have been very busy creating Christmas crafts for the Christmas Fair; they have been very productive and have made Christmas cards, crackers, tree decorations, Olafs and snowy slime! They will be running stalls selling these at the Fair in the Upper School shared area on Saturday. As well as this, in English, the children have been continuing to write a detailed newspaper report about an outbreak of varmints and have been learning how to multiply and divide fractions in Maths.

## Kipling Class Assembly

Well done to Kipling Class who performed their class assembly yesterday, based on the book 'The Journey' by Francesca Sanna. Through the story, the children explored the theme of refugees and how UNICEF are important in supporting these people, children especially, around the world. Kipling class explored how refugees might feel and the impact this has on them. It was an assembly with an important message for sure, well done Kipling, brilliant assembly with a brilliant sentiment.

## Iver Rec Painting Project

IVJS have been very fortunate to have been working with Iver Parish Council, Make Britain Tidy and Positive Arts on a very exciting mural painting at Iver Rec. The work started two weeks ago, when we were joined by one of the artists and together we created lots of drawings based on the theme of

wildlife. After being rained off on Monday, we finally got the right weather to get painting!

## Lower School Badminton Tournament

On Monday, seven children went to The Beaconsfield School to compete in a badminton tournament against nine other schools from around Bucks. The tournament was skill based, meaning that the children didn't directly play other schools but competed in stations to gain the most points. IVJS played with outstanding teamwork throughout the afternoon and showed great respect and manners. With the tournament being skill based, IVJS had no idea how they compared with other schools until the end.

## FISA Christmas Fair

Don't forget our Christmas Fair is tomorrow from 12.30pm!

There will be parking on our school playground however we would advise you to walk where possible as there is very limited space.

We can't wait to see you all there and kick off the festive season, you can even pop in to see Santa!

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/IuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
