

Iver Village Junior School

TEACHERS: Mrs Bowden, Mr Tang and Mrs Jaques

PE	This term PE for Year 6 is taught on a Wednesday and Friday afternoon by our Sports Coach – Mr Hawkes. Please ensure your child comes prepared for their PE lessons with the correct PE kit and that it is named.
SPELLINGS	Children will be tested every Monday on the spellings sent out the previous week. They are tasked with spelling the word correctly, as well as putting it in a context that shows the meaning.
READING HOMEWORK	Daily reading and discussion about their book. Please make sure your child is reading every day and that you have signed their blue reading record book. Please ensure that your child has their reading record and book in school every day. Teachers will collect these and review each week. Don't forget to use Bug Club as well.
HOMEWORK TIMETABLE	Friday- Maths and English homework set each week. Children are invited to attend Homework Club after school on Friday if they need help. Wednesday- Homework handed back in to class teacher; if this does not happen then your child will complete their homework on Thursday lunchtime.

To support your child this half term you could:

- Encourage and support their reading at home
- Remind children to manage their homework effectively and to seek help when needed
- Help your child to practise their times tables and related division facts
- Test your child on their spellings for that week
- Ensure they bring the correct equipment to school, including PE kit
- Revise for the upcoming SATs tests in May, using materials sent home and online resources- <http://www.bbc.co.uk/bitesize/ks2/>

For some detail of what we'll be covering in each of our subjects please look at our curriculum map.

Year 6 Summer Term

Science

Living things and their habitats –
