Dear Parents/Guardians,

Year 6 Extra Activities – Denham Country Park

In order to enhance their learning this term, we have arranged for Rosen and Rowling classes to take part in some activities outside of the classroom. The first of these was at the beginning of this term when the children took part in an enjoyable circus workshop where they were able to learn circus skills. The other activity is a visit to Denham Country Park on Thursday, 14th March. The visit will include a walk around the park and some supervised science activities in the river. The coach will depart school at 9.20am and will return by 3.15pm. Further details will be given nearer the time.

We are asking for a voluntary contribution of £18.00 to cover the cost of these activities and the coach to and from Denham Country Park. This contribution will be on our School Money system for payment. Unfortunately, the trip will not be able to go ahead without enough contributions.

Children will be river dipping so it is *really essential* that they have wellington boots that come up to the knee for this trip. If you do not have these, they are available to purchase at very reasonable prices, approx. £5 - £10, from a variety of retailers.

Some additional adult support may be required on this trip and we would be grateful if you could also indicate on the return slip if you would be willing to help supervise a small group of children on the day. If your help is required, we will let you know as soon as possible.

Yours sincerely,

Miss Bjorck and Mrs Bowden
