29th January 2018,

Dear Parents/Guardians,

Enterprise Club for Years 5 and 6

We are pleased to offer children in years 5 and 6 the chance to become part of our enterprise club. This club will run on Mondays after school. Recent research has shown there are immense benefits to children's health and wellbeing by spending more time in the outdoors. With this in mind, we are aiming to fund raise in order to build an outdoor classroom. We are looking into grants and companies that will match funds raised, to help support our new venture.

Due to the nature of this club, there will be no charge. We are looking for children who are creative, imaginative, want to enhance their maths and literacy skills but above all are committed to our vision. If you think this describes you then we are hoping you will sign up to help kick start this venture! You will be able to book your child's place via the online booking form for After School Clubs.

In order to keep our overheads down, we would be very grateful for any donations to the cause. This could include: fabric, craft materials, wood etc. Furthermore, if you are able to supply us with contact names then the children can write to the appropriate people in your organisation that look after charity donations.

I would like to take this opportunity to thank you for any support which you feel you are able to give and if you have any suggestions or queries do not hesitate to contact me at school.

Thank you again,

Jayne Herring
