Dear Parents/Guardians,

Year 3 visit to Iver Environment Centre

A trip is being organised for year 3 to visit the Iver Environment Centre on **Thursday 11th May 2017**.

The purpose of the visit is to support and enhance your child's learning about plants, animals and lifecycles. It will be a fun and interactive experience where children will get a first-hand experience of nature. They will even be pond dipping to become river detectives!

In order to keep costs down for this trip we have decided not to book a coach as the centre is so close. On the day of the trip, we would need you to drop your child off at the centre by 9:00 am and pick them up at 2:30pm. We have attached a map with directions to the centre from Iver Village Junior School. If you have problem dropping your child off or if your child is due to attend breakfast or after school club on the day please speak to your child's class teacher to make alternative arrangements.

In order for this visit to go ahead, a **voluntary contribution of £7.50** per child is needed. This will cover the cost of the tutors at the centre who lead the workshops. Please return the attached permission slip by **Monday 1st May 2017**.

The children will not need to wear school uniform as they will be outside all day and may get quite mucky. Please ensure your child wears suitable clothing, including a rain coat and wellington boots in case of rain. They should bring a packed lunch in a named carrier bag.

If you have any questions about the trip, please don't hesitate to your child's class teacher.

Yours sincerely,
Miss Couves and Miss Trainor
