Iver Village Junior School
Assessing for impact – French

Article 28, 29

Education must develop every child's personality, talents and abilities to the full

French
Sarah Short

Impact

Assessment

<u>Type of assessment</u>	<u>How it informs planning, teaching and learning</u>
In lesson assessment	Listening and questioning helps to inform in lesson assessment. Independent tasks are assessed at end of lesson.
Termly assessment	Teachers use the built in assessment tracker on Language Angels to assess pupils against the curriculum objectives and track progress.

Date:	18/12/23
Carried out by:	S Sharf
Class:	Washington
Focus Subject:	French

Our lessons are exciting and interesting:
<ul style="list-style-type: none">- I like French because we get to learn a new language- You get to learn ways to communicate with people from a different country- It is interesting as each term we discover new vocabulary and new topics.
There are resources to help me understand more about the subject:
<ul style="list-style-type: none">- The Ppt is really helpful as we can hear how words are pronounced first- The worksheets help us to visualise the spellings and the word.
Through feedback, I understand how my learning is going:
<ul style="list-style-type: none">- Words and key vocabulary are repeated and we can see how much we remember- The teacher lets us know how we are doing in class.
I know what my next steps are in my learning:
<ul style="list-style-type: none">- The front cover sheets tell us what we are learning next and we know what the topic is for the term.
We can develop our knowledge of history outside the classroom:
<ul style="list-style-type: none">- We are learning topics that we are doing in history in French i.e. Vikings
We can evaluate our learning after we have finished a topic:
<ul style="list-style-type: none">- Our books are marked with the teacher- We get to hear how we are doing during the lesson
