Dear Parent/Guardian,

Growing and Cooking

This year we have chosen to develop our school's health and wellbeing curriculum, with the aim of supporting all our children in understanding how they can make healthy lifestyle choices.

As part of this, each year group will be growing vegetables and using them to cook healthy, nutritious meals.

In order to ensure all children can be involved with cooking we need to be aware of any dietary requirements they may have. Please return the form below as soon as possible to inform us of any specific questions.

If you have any questions about how we will be growing and cooking in school, please speak to your child's class teacher.

Yours sincerely,

Miss Couves

Growing and Cooking

My Child: _____

Class : _____

has no dietary/medical needs.

has the following dietary/medical requirements: _____

Signed: _____

Date: _____
