Dear Parents

Re: Flooding

As you will know by now many of our classrooms were flooded on Thursday night and I thought you would like to have a quick update on what is happening.

- On Friday staff moved furniture to create temporary classrooms in the hall and in the library
- On Saturday contractors came out and cleared the drains on the playground
- The Loss Adjuster visited us today and has agreed to the work starting to replace the damaged flooring
- Dehumidifiers are due to be delivered this evening to help the school dry out quicker
- Some classes have moved to different rooms so that none of the children are in damp rooms
- Tomorrow I will have a meeting with contractors to agree a time scale for the repairs

Thank you to all of you who have offered to help and have been so supportive during this difficult time. We are working hard to get our school back to normal!

If you have any questions please don't hesitate to get in touch.

Best Wishes,

J. Digweed
Headteacher
