

Iver Village Junior School

Attendance Policy

Article 28 – Children have the right to a good quality education and be encouraged to go to school to the highest level they can.

Version 5 - February 2023	Changed to 'persistent absentee'
Version 6 – September 2023	'Wheel Of Fortune' added
Version 7 – November 2023	Tweaked the Escalated Approach to ensure Letter Procedure was up-to-date

Next review Date – September 2024

1. Introduction

Regular school attendance is essential if children are to achieve their full potential.

The Governors and staff at Iver Village Junior School are united in their belief that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Iver Village Junior School values all pupils. As set out in this policy, we will work with families to identify the barriers to achieving and maintaining excellent attendance and offer the right service at the right time to try to resolve any difficulties.

Iver Village Junior School recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998 and the Equality Act 2010.

The Attendance Leader (Paul Clifford DHT) and School Secretary (Gemma Lainsbury) will monitor attendance and use attendance data to identify any patterns of concern, whilst also celebrating success! Attendance concerns will be raised with parents if reasons are not known by the school, e.g. a long period of illness, this information may be shared with the Local Authority following concerns. Where we have concerns, or lack of engagement from families to improve attendance, we will follow the schools escalated approach to improving attendance. The schools escalated approach is child-centred and prioritises support and developing strong working relationships with families. We will use the early help process to provide support prior to escalation and consider how we can work with families to enable your child to access their right to education.

2. Aims

Our aim is to always work in partnership with parents and any referral for consideration of a penalty notice is deemed to be a last resort at Iver Village Junior School. Attendance figures for each child will be reported to parents as part of the annual report, we will also share a child's attendance profile if we have concerns regarding a child's attendance. Throughout the school year the Attendance Team will report on the overall attendance figures for children groups, this will be closely monitored for support and reported to the Governing Body.

To support good attendance, and safeguarding, at Iver Village Junior School we:

- Ensure the school is welcoming and every child feels a sense of belonging and connectedness.
- Ensure the school site is open at the stated times.
- Ensure the regular, efficient, and accurate recording of attendance is complete by every class teacher each day. This further supports our approach to safeguarding within the school.

- Take safeguarding seriously and we will always contact you on the **first day** that your child is absent from school. If your child arrives late after the close of registration, we will record their arrival at reception and transition the child to class.
- Consider any requests for leave in term time individually. This will be aligned to the Local Authority code of conduct.
- Notify the Local Authority within 5 days if a new child is joining the school roll.
- Inform the Local Authority of children whose parents have notified the school in writing and have opted for Elective Home Education.
- Work closely with the School Attendance Support Team.
- Notify the Local Authority of Children Missing in Education – aligned to the DfE 2022 Attendance paper.

A whole school approach to supporting attendance at Iver Village Junior School

Securing good attendance at Iver Village Junior School cannot be achieved in isolation, and effective practices for improvement will involve working closely with other Leaders within the school. The Attendance Leader will work alongside the Curriculum Leader, Behaviour Leader, SENDCO / Pupil Premium Leader to facilitate a whole school approach.

The Strategic Approach

Iver Village Junior School adopts the 5 Foundations of Effective Attendance Practice framework, this is modelled on the work of Professor Katherine Weare. The emphasis is on developing a school culture and climate which builds a sense of connectedness and belonging to ensure all children can attend school and thrive. The approach ensures we prioritise building solid working relationships with children, and parents, prior to escalation. The staged approach we follow ensures we identify triggers early that can lead to poor attendance issues such as mental health issues, lack of trust, communication and relationship breakdowns and the possible lack of networking opportunities both internal (in-school) and external (external agencies).

Aims of the 5 Foundations strategy

- Increase school Attendance and reduce Persistent Absence to meet set targets.
- Ensure Attendance is well managed within the school, with the appropriate level of resources allocated.
- Enable the school to make informed use of attendance data to target interventions appropriately, focusing on the key demographic groups highlighted in the 2022 DfE attendance paper.

Objectives

- create an ethos within the school in which good attendance is recognised as the norm and every child aims for excellent attendance.
- make attendance and punctuality a priority.
- set focused targets to improve individual attendance and whole school attendance levels.

- embed the 5 Foundations of Effective Attendance Practice framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.
- record and monitor attendance and absenteeism and apply appropriate strategies to minimise absenteeism.
- develop a systematic approach to gathering and analysing relevant attendance data.
- provide support, advice and guidance to; parents, children and develop mutual cooperation between home and the school in encouraging good attendance and in addressing identified attendance issues.
- Demonstrate, using rewards, that the school recognises good attendance and punctuality are achievements in themselves.

**5 Foundations Of Effective
Attendance Practice**

5 Foundations of Effective Attendance Practice

The main aim of the framework is to ensure the school promotes a culture of good attendance and celebrates success. Ultimately, the framework will ensure there is a culture of feeling safe and school being a place where children want to be.

Positive health and emotional well-being are key factors in improving social development, school attendance and educational achievement. The 5 Foundations of Effective Attendance Practice model promotes, and supports, a whole school approach to mental health and emotional well-being; ensuring SEMH support remains a key driver in improving attendance for all children.

Each Foundation is supported by 5 Key Performance Indicators, these are used to ensure the school can embed the Foundations framework and understand the strategic direction regarding attendance improvement. Each year the school will use the 5 Foundations self-assessment tool to understand what works well and identify what we need to do even better. We then follow the 5 Foundations school improvement process to implement the attendance plan and ultimately improve the lives of children and families we work with.

Foundation 1
Whole School Thinking
Culture & Climate

The school has a fully embedded ethos in which excellent school attendance is expected, developed and nurtured. The escalated approach to supporting attendance is built on foundations of belonging and connectedness.

Foundation 2
Supportive Policies,
Systems and Processes

The approach to improving attendance is built on clear policies, systems and processes. This ensures continuous and sustainable improvement drives attendance practice. The attendance policy is understood by all stakeholders and allows the school to set, and maintain, high expectations to improve the culture of attendance.

Foundation 3
Professional Learning
Staff Development

The school prioritises developing a team of attendance experts, with a shared vision and core purpose. The Attendance Leader delivers bespoke training to support all staff to fully understand their role in improving attendance. External partnerships support attendance improvements through a multi-disciplinary approach for identified children and families.

Foundation 4
Implement Targeted
Programmes And Intervention

Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. The attendance process ensures the Attendance Leader understands the reason for attendance concerns, these barriers can then be successfully supported and removed.

Foundation 5
Connect Appropriately With
Approaches To
Behaviour Management

Connecting and belonging drives the school approach to supporting attendance. All staff are supported to understand 'deeper roots' regarding poor attendance concerns. The school has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success.

DFE: Working Together To Improve Attendance 2022.

From September 2022 the DFE: Working Together to Improve Attendance paper will replace all previous guidance on school attendance except for statutory guidance for parental responsibility measures. The Secretary of State has committed to it becoming statutory when parliamentary time allows (Updated September 2023).

Iver Village Junior School will always work in partnership with our parents

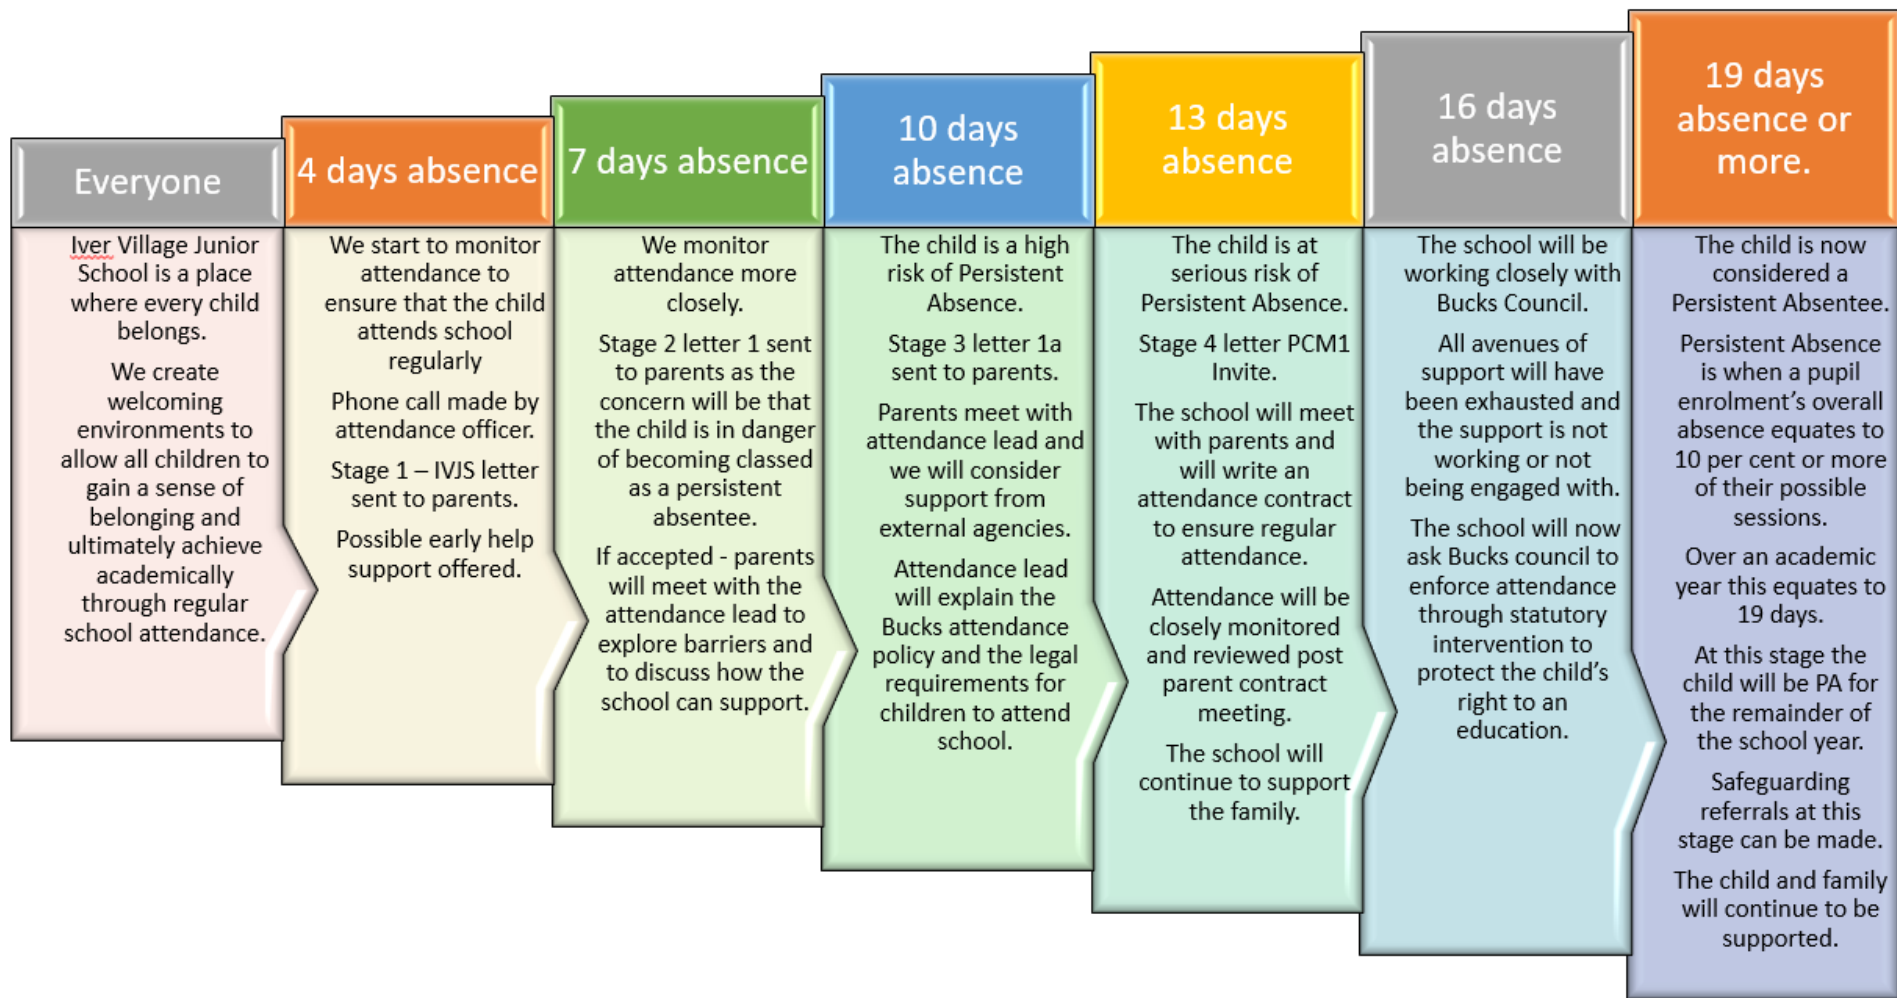

Iver Village Junior School recognises that poor attendance is often an indication of difficulties in a child's life and their lived experience. This may be related to problems at home or in school. Parents should inform the school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school to identify any additional early help that may be required. Safeguarding is a priority, concerns for any child at any time will be reported to the DSL Sarah Chapman-Allen. We will always follow Keeping Children Safe in Education 2022 and our Child Protection Policy.

Some children are more likely to require additional support to attain good attendance, for example, children who are vulnerable, have a medical need or EHCP plan will be monitored and supported in school. At Iver Village Junior School we will proactively identify and follow up on a child's non-attendance and gather information about the child. This will result in taking early action to prevent non-attendance developing and monitoring the impact of targeted support.

The School Secretary will initially:

- Check records, including any from other schools which the child has attended previously.
- Discuss with staff how the child is coping with the curriculum
- Speak to the SENDCO to establish whether the child is on the Special Educational needs register.
- Take into account the voice of the child and understand any difficulties, e.g. curriculum or bullying and their views on the issue could be addressed.

Children whose attendance falls below 90% for the year are classed as a persistent absentee, where a child falls under 50% attendance the child will be classified as a Severely Absent child. Ultimately this will indicate that all intervention, and support, offered by Iver Village Junior School has not made the expected impact to improve overall attendance. Where attendance remains a concern and all other interventions and support have not made a significant impact, we will escalate with external partners.

EXPECT

A culture where all children can, and want to, be in school.

MONITOR

Use attendance data to identify patterns of poor attendance.

LISTEN & UNDERSTAND

Understand barriers to attendance, work together to remove them.

FACILITATE SUPPORT

Access support to overcome barriers outside of school.

FORMALISE SUPPORT

This may include formalising support through a parenting contract or education supervision order.

ENFORCE

Statutory intervention or prosecution to protect the pupil's right to an education - when there is no other option.

3. Categorising absence

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the school and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

Parents should advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate. Alternative arrangements will be agreed with non-English speaking parents/carers.

Absence will be categorised as follows:

Illness: In most cases a telephone call or an email from the parent informing the school that their child is ill will be acceptable. Parents may be asked to provide medical evidence where there are repeated absences due to reported illness. This will usually be in the form of an appointment card, prescription etc.

Medical/Dental Appointments: Parents are advised where possible to make medical and dental appointments outside the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to school.

Excluded (no alternative provision made): Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

Late Arrival: Registration begins at 8:55am. Pupils arriving after this time will be marked as present but having arrived late. The register will close at 9:25am. Pupils arriving after the close of register will be recorded as absent. This will not be authorised and will count as an absence for that school session.

On arrival after the close of register, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment. (Code M)

The absence will be recorded as **unauthorised** if the pupil has arrived late after the registers close without justifiable cause, for example, if they woke up late or were waiting for their uniform to dry. (Code U)

Unauthorised absence: Absence will not be authorised unless parents have provided a satisfactory explanation that has been accepted as such by the school.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school
- Holidays taken without the authorisation of school

Leave of Absence and Extended Leave: Parents do not have an automatic right to remove their child from school during term time for the purpose of a holiday and are strongly advised not to do so. Parents should be aware that if their child is absent for 10 school days they will miss 5% of their education during that academic year.

Parents wishing to take their child out of school during term time must send a written request to the head teacher before arrangements are made. We require enough notice so that we can respond in writing. Documentary evidence of leave and return dates may be required in order to process your request. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. Each request will be considered individually and will take the following factors into account:

- Length of the proposed leave
- Age of the pupil
- The pupil's general absence/attendance record
- Proximity of SATs and public examinations
- Pupil's ability to catch up the work missed
- Pupil's educational needs
- General welfare of the pupil
- Circumstances of the request
- Purpose of the leave
- Previous term time holidays taken
- When the request was made

All requests for leave of absence will receive a written response. Where a request has been granted, the letter should state:

- The expected date of return
- That parents must contact school should any delays occur

If the permission to take leave is not granted and the pupil is absent, the absence will be **unauthorised**. In such cases the school may refer the matter to the County Attendance Team who may issue a Penalty Notice.

Finally, it is important to note that any absence, authorised or not, will still count towards your child's absence for the year. It will still count towards the child's percentage for the year and even though it is authorised it is still classed as an absence.

Religious Observance Iver Village Junior School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and that this necessitates a consideration of authorised absence or special leave for religious observance. (Code R)

It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body.

Parents are requested to give advance notice to the school if they intend their child to be absent.

However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Absence in excess of this will be categorised as unauthorised.

Traveller Absence: The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. Traveller absence (Code T) is acceptable only when the family is engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits.

It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents of their duties to ensure that their children are receiving suitable education when not at school.

When in or around Buckinghamshire, if a Traveller family can reasonably travel back to their base school (see below) then the expectation is that their child will attend full-time.

Iver Village Junior School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily whilst away from their base school. In such cases, the pupil's school place at Iver Village Junior School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

Iver Village Junior School can operate effectively as the child's base school only if we are engaged in on-going dialogue with Traveller families. This means that parents must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates

Iver Village Junior School will authorise absence of Traveller children if we are satisfied that a family is travelling and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking computer based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as for any other pupil.

First Day Contact

If a child is absent from school and we have not heard from the parents then as a school we would then follow the procedure below:

- Start first day calling for children absent without explanation, call everyone on the contact list until we get an answer
- Call the contact list at least twice if we have had no answer
- Make a prompt home visit if we have still have had no answer
- If there is no answer at home then we would immediately refer to children's services / MASH / Police.

Transition following long term absence or illness

Absence can significantly interrupt the continuity of children's learning.

During any long-term absence, Iver Village Junior School will:

- Maintain contact with the child and provide work where necessary.
- Carefully plan the transition back to school, ensuring your child feels welcome and gains a sense of belonging.
- Ensure the child once again feels safe in school and if they experience any concerns, they will have an appointed member of staff to work with.
- The Class Teacher and SENDCO will support a child when returning to class and help them with any work they may have missed.

4. Deletions from the Register

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will be deleted from the register only when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the Local Authority
- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil

- Transfer between schools
- When a parent informs the school in writing that the pupil is to be withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- In custody for more than four months (in discussion with The Youth Offending Team)
- 20 days' continuous unauthorised absence have elapsed and both the Local Authority and school have tried to locate the pupil
- A pupil has left the school but it is not known where he/she has gone after both the school and the Local Authority have tried to locate the pupil

Iver Village Junior School will follow Buckinghamshire County Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

5. Roles and Responsibilities

Iver Village Junior School believe that improved school attendance can only be achieved if it is viewed as a shared responsibility of the school staff, governors, parents, pupils and the wider school community.

Staff will:

- Actively promote the importance and value of good attendance to pupils and their parents
- Form positive relationships with pupils and parents
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all pupils to attend and to achieve
- Comply with the Registration Regulations, England, 2006 and other attendance related legislation
- Implement systems to report, record and monitor the attendance of all pupils, including those who are educated off-site
- Analyse attendance data to identify causes and patterns of absence
- Contribute to the evaluation of school strategies and interventions
- Work with other agencies to improve attendance and support pupils and their families
- Document interventions used to a standard required by the Local Authority should legal proceedings be instigated

Request that Parents will:

- Talk to their child about school and what goes on there. Take a positive interest in their child's work and educational progress
- Instil the value of education and regular school attendance within the home environment
- Encourage their child to look to the future and have aspirations
- Contact the school if their child is absent to let them know the reason why and the expected date of return. Follow this up with a note where possible.
- Try to avoid unnecessary absences. Wherever possible make appointments for the doctors, dentists etc. outside of school hours
- Ask the school for help if their child is experiencing difficulties
- Inform the school of any change in circumstances that may impact on their child's attendance
- Support the school; take every opportunity to get involved in their child's education, form a positive relationship with school and acknowledge the importance of children receiving the same messages from both school and home

- Encourage routine at home, for example, bed times, homework, preparing school bag and uniform the evening before
- Not keep their child away from school to go shopping, to help at home or to look after other members of the family
- Avoid taking their child on holiday during term-time. Where this is unavoidable, send a written leave request to the Head Teacher in advance of booking the holiday.

6. Using Attendance Data

All pupils' attendance will be monitored and will be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

Weekly attendance meetings will be held between the Attendance Leader/School Secretary and Head Teacher. Meetings will focus on agreed actions for those children of concern. The purpose of each meeting will be to understand the progress the school is making when supporting identified individuals or groups of children.

Attendance data will be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

It is the responsibility of school Governors to challenge and support the school regarding overall attendance, regular reports will be presented to this body. The governors will therefore examine closely the information provided for them and seek to ensure that our attendance figures are as high as can be.

This pupil level data will be used to trigger school action as set out in the escalation of intervention (Appendix – Intervention Flow Chart).

Iver Village Junior School will share attendance data with the Local Authority as required. All information shared will be done so in accordance with the Data Protection Act 1998.

7. Persistent Absence

At Iver Village we aim to communicate the importance of attendance with parents and children. We have a particular focus on reducing Persistent Absenteeism at the school. The Persistent Absence threshold for children is currently 10% and Ofsted will use this threshold in its inspection of schools.

The threshold means that any child will be classed as a persistent absentee when they have missed 38 or more sessions. This equates to 19, or more, missed days during the academic year - which is as little as 6 days over each of the three Terms. This also equates to the equivalent of 1 day of absence, or more, a fortnight across a full school year

We will use a 19-day tracking system to make you aware (by phone call, letter or text message) of the number of days your child has missed in education. This will allow us to work together to reduce the number of days and attempt to prevent your child from reaching this number.

Once a child has reached 38 sessions, or 19 days absence, they will be classified as a persistent absentee and we will report this to the Local Authority and follow external legal proceedings.

8. Support Systems

Iver Village Junior School recognise that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce / separation. This will help the school identify any additional support that may be required.

Iver Village Junior School also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children.

The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Attendance report cards
- Referrals to support agencies
- Learning mentors
- Friendship groups
- Reward systems
- Time limited part time time-tables
- Additional learning support
- Behaviour support
- Inclusion units
- Reintegration support packages

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils.

9. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude and to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

10. Legal Sanctions

Where intervention fails to bring about an improvement in attendance, Iver Village Junior School will notify the County Attendance Team of the irregular attendance.

The County Attendance Team or school, may invite parents to attend a Parenting Contract Meeting and issue a formal warning of a Penalty Notice.

Parenting Contracts (Anti-Social Behaviour Act 2003) A Parenting contract is a voluntary agreement between the Local Authority, school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.

The contract can be used as evidence in a prosecution should irregular attendance continue.

Penalty Notices (Anti-Social Behaviour Act 2003) Penalty Notices will be considered when:

- Intervention has failed to bring about improvement and further unauthorised absence has occurred following written warning to improve.
- A pupil has taken leave of absence i.e. for the purpose of a holiday in term time and the absence has not been authorised by the school

A Penalty Notice gives the parent the opportunity to avoid a prosecution. A £60 fine, per parent/carer, per child must be paid within 21 days. The fine increases to £120 per parent/.carer, per child if paid after 21 days but within 28 days of the date the Notice was issued.

Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.

Prosecution: The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

11. Celebrating Success

At Iver Village Junior School we feel it is important to reward children who have achieved good or improved attendance. The weekly 'Attendance Challenge' allows classes to celebrate their collective attendance successes. When a class wins the 'Attendance Challenge' for the week they will receive biscuits in our 'Celebration Assembly'.

Furthermore, we have a 'Movie Token' 96% Attendance Challenge which allows classes to celebrate their collective successes. Any class which achieves a weekly attendance of 96% or above will receive a 'Movie Token' - if they collect 6 tokens then they will receive a Movie Afternoon Treat.

However, we also realised that it was important to celebrate individual success so we introduced the 'Wheel of Fortune' - Any child with 100% attendance for that week will enter the 'Wheel of Fortune' prize draw! The individual winner will be drawn live in our 'Celebration Assembly' with a chance to win a book!

Iver Village Junior School will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend Iver Village Junior School, and by working in partnership with the school community we believe that together we can achieve more!

We can only achieve this by working in partnership with you, if you have any concerns or anything that prevents your child from attending Iver Village Junior School please contact Mr Paul Clifford – Deputy Headteacher and Attendance Leader.

Intervention Flow Chart

School will notify parent of the child's irregular school attendance (by phone call, letter or text message) and offer them the opportunity and support to

If you receive a phone call, letter or text message informing you of concerns regarding your child's attendance you should

- Speak with your child to see if there are any reasons why they are reluctant to attend
- Contact the school to discuss any difficulties you or your child may be experiencing.
 - Ensure your child attends school regularly

If there is no improvement and the parent has not provided a good reason for the absence, the school may refer to the County Attendance Team

Whilst your involvement in a Parenting Contract is voluntary, if you fail to engage with the support offered and your child's attendance remains irregular, the County Attendance team may issue a Penalty Notice or begin legal proceedings in the Magistrates' Court.

If you are issued with a Penalty Notice of £60 per parent/carer, per child this must be paid in full within 21 days otherwise the Penalty will increase to £120 per parent/carer, per child. If you fail to pay the Penalty by the 28th day, the County Attendance Team may instigate legal proceedings against you.

If you are found guilty of this offence you can be fined up to £2500 and/or be imprisoned for a period of three months.

A Parenting Contract is a voluntary agreement between you and the Local Authority aimed at supporting you in improving your child's school attendance.

The County Attendance Team will invite you to attend a Parenting Contract Meeting and may issue a Warning of a Penalty Notice.
