12<sup>th</sup> December 2017

Dear Parents/Guardians,

## **Last 2 Days of Term - Mon 18th/Tues 19th December**

Have you heard? ... The last two days of term are going to be very exciting ones! We have so much planned that your children will be ever so excited to come into school before the holidays.

So what will they be doing? We will have our books and baking days! The idea is to spend the morning or afternoon baking and then the children can enjoy their wonderful creations whilst you read them a story or two.

- **Monday - Books and Baking - Year 3 9:00-11:00 - Year 5 11:00-12.30 - Year 6 1:15-3:15**
- **Monday - Inter-house Dodgeball Contest**
- **Tuesday - Mystery Gameshow Assembly 9am (the teachers may be 'wanting to get out of here'...)**
- **Tuesday - Choir to Sunnyside Nursing Home 10am**
- **Tuesday - Books and Baking - Year 4 9:00 - 11:30**
- **Tuesday - PM - End of Term Parties – Children will be allowed to bring in electronic games**

As part of the end of term parties and as a reward for the children's hard work, we are allowing children to bring in their electronic games; such as a handheld/portable gaming system, mobile phone or tablet. We are excited about giving children this opportunity as technology has become an essential part of education and everyday life. The use of electronic devices in the classroom is a privilege and we expect our pupils to use the devices in appropriate ways. We will not be providing them with the school's Wi-Fi password and therefore any 3G/4G facility will need to be turned off. To ensure the security of any equipment your child must hand in their device to their class teacher who will lock it away during break times. The children must take responsibility for the use of the device during the celebration. As I am sure you will agree, messaging, making calls, taking pictures or videos or any use of social media sites is prohibited whilst the children are using their devices in school. They will be able to use their devices to play pre-loaded games, which do not require the use of internet. It is certainly not required for your child to have an electronic game to bring in school as there will be many other activities which are equally rewarding.

PTO

## **Electronics contract**

1. I will remember not to use the internet or 3G/4G when I am in school.
2. I will remember to only use pre-loaded games and not go on social media sites or message other users.
3. I will not take pictures/videos when in school on my device.
4. I will remember to give my device to my class teacher to be secured safely.
5. I will take full responsibility for the handling of my device during the celebration time.

Name: \_\_\_\_\_ Class: \_\_\_\_\_

Please note, children are responsible for their own items and bring them in at their own risk, we cannot accept responsibility for loss or damage to any of these items whilst at school.

Who would want to miss all this fun? We look forward to every child having 100% attendance on those last two days of term and enjoying the festive season with the staff and pupils of IVJS. If you have any questions or concerns please contact your child's class teacher.

Yours sincerely,

*Paul Clifford*

Deputy Head Teacher
