Parental agreement for safe return to school of all pupils on 1st September 2020

This document has 2 sides. You must read, understand and agree every point before sending your child to school.

The safe opening of school is dependent upon avoiding all contact with anyone who is, or could be, infected with coronavirus. The safety of our whole community is dependent on all of us following these rules. They must be followed:

I will never enter any part of the school site if my child or anyone in my household has any of the symptoms of Covid 19

Symptoms of Coronavirus

- high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

- My whole household will self-isolate for 14 days if anyone in the household has any of these symptoms, no matter how mild or whatever I think might be the cause
- I will immediately inform Iver Village Junior School if my household needs to self-isolate
- I will ensure that my child and the members of my household are tested for Coronavirus if necessary. I can use this link to book a test: <https://www.nhs.uk/conditions/coronavirus-covid-19/>
- I will immediately inform the school if my child has received a positive test result for Coronavirus
- I will contact the school before sending my child back if my child or anyone in my household has been ill with Covid 19

In addition, I know that in sending my child to school I am agreeing that everyone in my household will follow every one of these steps. I know that this is essential to ensure the safety of my child, Iver Village Junior School staff and our community.

- I know that if my child is unable to follow the rules to keep everyone safe, even if supported by staff to do so, I will have to immediately collect them from school
- I know that I should seek medical advice before sending my child to school if they are classed as being clinically extremely vulnerable
- I know that if my child is unable to attend school, I need to email admin@ivervillage-jun.bucks.sch.uk giving the following information: child's name and class; likely length of absence; reason for absence. Please specify whether this is due to:
 - Illness and that this is unrelated to Covid 19
 - Self-isolation due to symptoms of Covid 19, or contact with a positive case

- I know that whilst school staff will encourage social distancing where they can, my child will come in to close contact with other children and adults within their year group bubble
- I will ensure that my child arrives at school within 5 minutes of the start time allocated for their class:
 - Year 3 – 8.30am
 - Year 4 – 8.50am
 - Year 5 – 8.40am
 - Year 6 - 9.00am
- If possible, I will walk with my child to school
- If possible, I will allow my Year 6 child to walk to school on their own. If this is not possible, I will allow my Year 6 child to walk from the school entrance/ Rec to the school grounds
- I will use the appropriate 'in gate' and drop my child off on the grass outside the school building.
- I will use the 'out gate' to exit the school site
- I will collect my child from the front of the school on the grass. Teachers will bring the children around to the front of the school at the end of the day.
 - Year 3 – 3pm
 - Year 4 – 3.20pm
 - Year 5 – 3.10pm
 - Year 6 - 3.30pm
- I will only remain upon the school site for enough time to drop off or collect my child and I will ensure that my children and I remain 2 metres away from any other family group for the whole of the time that I am on the site.
- I will send my child to school every day with a bottle of water with their name written clearly on it as I know that the school drinking fountains will not be available
- I will send my child to school with their lunchbox/order lunch online if needed
- I will send my child to school in their school uniform, except when they have a PE lesson
- I will send my child to school in their PE kit when they have a PE lesson (see separate information letter)
I will not send hand sanitiser to school with my child as I know that they will wash their hands many times during the day and the school also provides hand sanitiser
- I will ensure that I have given my child any required medication and applied sun protection or lotions before they come to school
- I know that I will not be able to enter the school building unless there is an emergency involving my child or if I have a prearranged meeting. I will ring or email to communicate instead.

If you are sending your child into school, then **we will presume that you are in agreement with, and will follow, the points in the Parental Agreement.**

Jill Digweed
Headteacher
