## Dear Parents/Guardians,

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that you will now have the facility to make payments for school expenses, such as trips, online with your debit or credit card from 19<sup>th</sup> February 2018.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a password. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney**, visit the website [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk) and enter your mobile number, email address and the password we have sent to you. If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

We will be adding *Early Birds* and *Bluebells* costs from after the half term and start putting After School Clubs on from after Easter. Unfortunately, you will not be able to pay for any of the existing trips online however, trips that are announced after the half term holidays will be available on the **SchoolMoney** system. We appreciate your co-operation in the early stages of rolling this system out to you.
