3rd February 2020

Dear Parents/Guardians,

Year 5 Virtual Reality Visit

On Wednesday 25th March, our Year 5 classes will be visited by an Education Group to provide a Virtual Reality Space workshop linked to their science topic 'Space'.

During the morning every child in the class will become an astronaut. Virtual Reality will transport them to a place they cannot easily visit. The whole class will simultaneously blast off into space, piloting their research vessels around planets and moons, learning about the solar system. This incredible immersive experience will truly boost learning and inspire our children about the world around them!

For further information and a trailer of the workshop please visit:

<https://www.educationgroup.co.uk/workshops/space-virtual-reality>

We are asking for a voluntary contribution for the visit of £8.50 to cover the cost of the company and use of the virtual reality headsets. **Unfortunately, this experience will not be able to go ahead without enough contributions.**

Please make payment on the School Money system, **should you have any issues with the online payment system, please speak to the school reception.**

Yours sincerely,

Mrs Chapman-Allen. Ms James, Ms Jaques
