

Learning Question:

How can I publish a recipe for creating a dream?

Success Criteria:

- Identify language and structural features of a recipe
- Use technical vocabulary when writing instructions
- Use imagination to create an exciting dream.

Vocabulary

Today's Targets

1. *To write a recipe to create a dream*
2. *Include an ingredients list and a method.*

Method – example

1. Firstly, gather the laughter of happy children and stir it into a sunny playground.
2. Next, collect the awe and wonder of incredible stories and mix with a library of fun!

Your turn to write - Method

- Using the ingredients you chose. Write a method to create your dream.
- Use the previous example to help you.
- Remember to use imperative verbs and prepositions for time to connect ideas.
- Think about what your dream return to school would sound, look and feel like.
