How we are keeping safe:

- ▶ Class 'bubbles' - *children will only interact with pupils from their own class.*
- ▶ Regular hand washing and hand sanitiser stations
- ▶ Individual equipment provided by school
- ▶ **No equipment taken to and from school - lunch boxes and water bottles only**

Interventions and support

- ▶ We are aware that pupils have been out of school for several months. Some pupils may need additional support to help catch up. We are preparing to meet the needs of all pupils and understand they will have had different experiences during this period.
- ▶ Emphasis on supporting well being.
 - ▶ Forming meaningful relationships
 - ▶ Additional PSHE sessions
 - ▶ Circle time
 - ▶ Responding to individual needs and circumstances

If you have any concerns, please raise them with your child's class teacher so we can work together to provide support.
