**To parents & guardians**

**I have been informed by both residents and the Head Teacher of parking issues during dropping off/collection times at Iver Village Junior School, including the blocking of residents driveways and parking on junctions by a minority of parents. Please can I ask that your parking is both careful and considerate.**

**If the situation does not improve we will have no option but to patrol the High Street at the appropriate times and issue fixed penalty notices for obstruction if necessary.**

**Thank you for your help in this matter.**
