Mr and Mrs Bold are just like you and me: they live in a nice house (in Teddington), they have jobs (like writing Christmas cracker jokes) and they love to have a bit of a giggle. One slight difference: they're hyenas. Yes, that's right - they're covered in fur, have tails tucked into their trousers, and they really, really like to laugh.

So far, the Bolds have managed to keep things under wraps, even when their children Bobby and Betty were born. But the nosy man next door smells a rat (or a hyena), and a trip to the local wildlife park, and the brilliantly wacky heist that results, could be the end of Teddington's best-kept secret. Whatever will the neighbours think?

Mildred Hubble is a trainee witch at Miss Cackle's Academy, and she's making an awful mess of it. She's always getting her spells wrong and she can't even ride a broomstick without crashing it. Will she ever make a real witch?

Mr. and Mrs. Brown first met Paddington, a most endearing bear from Darkest Peru on a railway platform in London. A sign hanging around his neck said, "Please look after this bear. Thank you" So that is just what they did.

From the very first night when he attempted his first bath and ended up nearly flooding the house, Paddington was seldom far from imminent disaster. Jonathan and Judy were delighted with this havoc and even Mr. and Mrs. Brown had to admit that life seemed to be more filled with adventure when there was a bear in the house.

Dear Reader,

I'm sorry to say that the book you are holding in your hands is extremely unpleasant. It tells an unhappy tale about three very unlucky children. Even though they are charming and clever, the Baudelaire siblings lead lives filled with misery and woe. From the very first page of this book when the children are at the beach and receive terrible news, continuing on through the entire story, disaster lurks at their heels. One might say they are magnets for misfortune.

In this short book alone, the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, and cold porridge for breakfast.

It is my sad duty to write down these unpleasant tales, but there is nothing stopping you from putting this book down at once and reading something happy, if you prefer that sort of thing.

With all due respect,
Lemony Snicket
