This Week In School...

Year 3 – have read the story of “The Singing Ringing Rain tree” and explored the thoughts and feelings of the different characters. We have started to write a letter from the perspective of the Prince explaining the sacrifices he made throughout the story. In maths, we have worked on developing our understanding of written methods of calculations and applying them in different ways.

Year 4 – have been writing a biography in the role of Edward Tulane. In maths, we have been looking at the properties of 2D shapes including lines of symmetry and different types of angles.

Year 5 – have been creating a persuasive argument based on our book, 'Cosmic' in English. In Maths, they have looked at properties of a rectangles as well as 3D shapes. In Science, they have taken a cut-off from a spider plant and will be observing it's grown during the next couple of weeks.

Year 6 – have been practising our mathematical reasoning skills in preparation for the SATs. In English we have published persuasive letters using emotive language.

SATs Breakfast

From Monday 14th to Thursday 17th May, our Year 6s will be sitting their end of KS2 SATs exams.

The Right to Education

The children have been learning about the UK Coalition of the Global Campaign for Education - Send my Friend to school. Children are aware of the right to an education and understands that not everyone across the world receives this. The aim is to support the campaign to increase community awareness of the state of education internationally and generate the political will necessary to ensure the UK plays an active and effective part in efforts to secure education for all.
