This week in school...

Year 3 – have been learning all about the Olympic Games in Rio. They have also spent time making their own clocks to help them learn to tell the time.
Year 4 – have learnt a lot about the Olympic Games as well as how to keep safe around water. They had a great trip to Hazard Alley where they learnt about how to be safe in the community.
Year 5 – have learnt about the history of the Olympic Games and have been practising all the songs ready for next week's production of Fagin's Boys.
Year 6 – have been working very hard at perfecting their performances for the upcoming end of year performance, it's going to be a good one!

An Interesting Few Weeks...

The last few weeks have been very eventful here at IVJS. We would like to take this opportunity to thank everyone for bearing with us at this time and to those who helped us last Thursday evening when we discovered the flooding. It is so lovely to have so many of you rally around to help and send such wonderful messages of good will, every member of staff here truly appreciates having such a lovely school community.

Sports Day

Monday 11th July is the IVJS Sports day! The children have been split into four Houses ready for sports day, these are a mix of children from every year and with a variety of talents in each team competing in their house colour.
 Houses are;
Hamilton, Adlington, Ennis, McIlroy
 Parents are welcome to attend on the day from 1.30pm.

IVJS Dance Off

On Thursday 23rd June, IVJS had their first dance off. The children in all year groups had been working hard on their dances during PE and came together to battle it out to be crowned champion of their phase.
 Congratulations to:

Yr 4 Hazard Alley Trip

This week, our Year 4 children visited Hazard Alley (The Safety Centre) in Milton Keynes. They learnt how to identify various dangers/hazards and discussed how to respond to these difficult situations. They also learnt how to make an effective 999 call and the children now understand what information the operators on the phone need to get a quick and accurate response.

Year 3 Hosted The Olympics

This week Year 3 have been learning all about the Olympics and the upcoming games in Rio! They looked at some of the different countries that compete and the different sports in the games. They then decided to have our own Iver Olympic Games with the Year 2s from the Infant school when they came to visit! The Year 3s researched different countries from around the world and then represented them at the games. The Iver Games opening ceremony was held in the playground and all Years 2 and 3 competed in five different sports. The objective of the day was to have fun and show sportsmanship, and three countries even managed to take home a few medals! Well done Poland, China and South Africa!

Recycling Week Assembly

Last week, our fantastic Eco team hosted an assembly about Recycling Week. The school got to learn all about the benefits of recycling and not sending all the rubbish produced to landfill sites. Our outside table tennis table is made from 100% recycled plastic as well as our *Buddy Bench*, its made from over 2000 plastic bottles so it really is worth recycling!

Summer Fair

Thank you to everyone who attended and helped out with the FISA Summer Fair last Friday, we hope you enjoyed the afternoon despite the weather. Our annual Summer Fair is just one of the many wonderful events that is organised by FISA to raise money for the Iver Village schools. We would like once again thank FISA for the hours of wonderful work they dedicate to helping fundraise for both schools. Their next event will be the Summer FISA Disco on 15th July. Details will be sent out shortly.

Congratulations Daisy Class!

IVJS took part in the competition 'My favourite place in Iver', a competition organised by Iver Parish Council for the classes in the Iver Schools Cluster. We are very proud to say, out of everyone, our very own Daisy Class won! Everyone had so many places in Iver that were their favourite that Daisy Class couldn't choose just one, so they decided to incorporate them all into one big image. They chose a daisy flower because it is their class at school (one of their favourite places) and they each drew their favourite place on a petal and it was coloured in beautifully. In the end, they had created two daisies that were able to demonstrate all of the amazing places in Iver that Daisy Class love.
