

Brainiacs of the Week:

Cairo	Tiger and Sadie
Cardiff	Chichi and Elliott
London	Elsie and Charlie
Lisbon	James and Freddie
Paris	Luke and Georgia
Prague	Lara and Albie
Washington	Jack G and Mila
Warsaw	Arlow and Jack M

Attendance and Lates this week...

	Cairo	Cardiff	London	Lisbon	Paris	Prague	Washington	Warsaw
Attendance	95%	90%	93%	97%	95%	91%	95%	96%
Lates	1	0	0	3	1	1	0	1

Well done Lisbon Class!

This Week In School...

Year 3 – have been learning about multiplication in Maths this week. They have been using arrays, repeated addition and bar models to solve multiplication problems. In English, they have been planning and writing instructions about how to make a potion. They have been very imaginative with their ideas and have written instruction about potions to make you disappear, turn into a shark and to be able to fly! In Humanities, they have continued to learn about Pre-Historic Britain and have created their own cave paintings. In French, they have been learning about seasons with a focus on learning how to describe each season.

Year 4 – have had a busy week in English. They have finished their retellings of the Norse Myth where Thor challenges the giants and have published this piece of work. They have also started planning and writing a narrative poem about a journey that the main character (from their guided reading text 'Arthur and the Golden Rope') goes on. They have been working really hard to make their poems rhyme too as an added challenge! In Maths, they have completed their unit on area by comparing the different areas of shapes. They have also begun their multiplication unit by looking at multiples of 3 and 6. In DT, they have been looking at where different fruits and vegetables grow around the world. In History, they have started their Ancient Greek topic but looking at the timeline of when Ancient Greece was and seeing where it fits into the overall history of the world.

Year 5 – have had a busy week at school. In Maths, they have started delving into the world of fractions, exploring unit fractions and non-unit fractions. They have also started reading a new book in Guided reading - The London Eye Mystery. In English, they have begun to write a newspaper article about Salim's disappearance (this is related to the events of their guided reading book) and have worked hard to include success criteria such as relative clauses. In Science, they have also conducted experiments to explore separating techniques of mixtures. It has been a busy and fun week in Year 5!

Year 6 – have been continuing to write their recounts based on PGL or non-PGL week in English this week. Everyone has enjoyed reading about what they got up to during the week! In Maths, they have finished their topic on the four operations in preparation for starting fractions during next week. The children have continued learning about the elements of art during their Art lessons and have produced some great work, ending with a 'silly' landscape which shows the variety of skills they have been learning about. In Computing, they have created their own online safety games.

Iver Village Junior School

Iver Village Junior School

Believe. Achieve. Succeed Together.

Date	Event
16 th Nov	Bag2School Donation Day at Junior School
17 th Nov	Children In Need Day NON-UNIFORM
20 th Nov	Flu Vaccinations - All Years
20 th Nov	Phonics Information Evening, from 5.30pm
27 th Nov	Poetry Party, from 5.30pm
7 th Dec	Xmas Lunch Day
7 th Dec	Washington Class Coffee Morning
8 th Dec	FISA Santa Dash Day
8 th Dec	IVJS Xmas Jumper Day NON-UNIFORM

Don't forget we are a **NUT AND SESAME FREE SCHOOL** - we have children who have allergies! (let's leave them for the squirrels)

Children In Need – Non-Uniform Day

Next Friday is Children in Need day and here at IVJS, it will be non-uniform day! Donations can be made via the SchoolMoney shop tab from today as we will not be selling merchandise this year.

Y5 VIKING DAY!

The children of Year 5 had an exhilarating day last Friday when they held Viking Day. The children immersed themselves in the world of Vikings by exploring who they were, where they came from and their way of life. In the first session of the day, the children learnt about who the Vikings were and how they travelled to Britain and then they made replicas of longships that the Vikings used to sail across the North Sea to Britain. Afterwards, they learnt about how the Vikings raided and pillaged monasteries in Britain, which they brought to life by engaging in a lively treasure hunt - there were many skillful raiders! In the afternoon, the children explored how Vikings lived and about their houses; they wrote a postcard back to Scandinavia explaining their life in Britain as a Viking. It was a remarkable and exciting day for Year 5!

Any child with 100% attendance for the week will enter the 'Wheel Of Fortune' prize draw! The winner will be drawn live with a chance to win a book!

**Please bring any donations for the Bag2School collection to either The Junior School on 16th November or The Infant School by 9am on 17th November.
Thank you.**

Parents' Evenings

Thank you to everyone who attended this term's Parents' Evenings. If you were unable to attend, please feel free to email your class teacher to arrange another time to speak.

Ivertastics!

Well done to:

Emmanuel and Zach

Xmas Lunches

You may have noticed that you are unable to book lunches on our school system for Thursday 7th December. That's because it's Xmas lunch day!

Please complete the online form (below) to choose the Xmas meal or let us know if your child is having packed lunch that day.

Payment can be made under the payments tab of your SchoolMoney account. Lunch cost £2.71.

Please note, the deadline for ordering/ payment is Tuesday 21st November. Parents of children that are entitled to Free School Meals only need to complete the online form.
