### This Week In School...

**Year 3** – have been exploring their understanding of fractions by conducting an investigation with chocolate! In Science, they have created their own fossils to replicate the fossil formation process.

**Year 4** – have been writing a diary entry as either Edward or Abilene from the novel 'The Miraculous Journey of Edward Tulane'. For Maths, they have been delving into the world of decimals, exploring fraction and decimal equivalents. In Science, they have been investigating how habitats can be destroyed through both human and natural events while in Humanities, Year 4 have been exploring the life of a poor roman living in the heart of Rome. In PSHE, they have created fact files on the importance of water as a resource.

**Year 5** – have explored angles on a line and polygons (what fun)! They also used drama to learn more about the metamorphoses process. In English, they finished up their creative narratives (there are a lot of gifted storytellers in Year 5)! Lastly, in Art, they have been practising painting sunflowers like Vincent Van Gogh.

**Year 6** – have worked really hard as they do their final revision and preparations for their SATs next week. The children have looked at specific focus areas in grammar, reading and maths where they needed to consolidate their understanding and we are confident that they are now ready to undertake the tests next week. Good luck Year 6!

### SATs Week!

Next week is SATs week for our Year 6s so we would like to remind everyone that we will be doing everything we can to support our Year 6s by keeping the whole school nice and calm (at least until Thursday afternoon!)

We are also welcoming our year 6s into Early birds for breakfast (for free) from Monday 13<sup>th</sup> to Thursday 16<sup>th</sup> May to settle in to school before their tests. All our Early birds are still welcome as well; we hope everyone in the morning will help us keep the calm atmosphere going through breakfast club so our Year 6s get a great start to their test days!

### FISA Minutes

We will be posting the minutes from FISA meetings here and online for parents to view.

FISA are always looking for new members and people to help with upcoming events such as the Summer Fair on Friday 21<sup>st</sup> June at IVIS.

Please remember, if you would like to get involved, please do not hesitate to contact the school reception and we will put you in touch with a member of FISA.

## Donaldson Class Assembly

Imagine a world where everybody is the same...  
Nah! Donaldson class didn't like that idea either! Uniqueness and embracing our differences was the theme of their class assembly this week. They gave us an insight into some of the unique attributes some very famous people have, for instance Walt Disney was told he lacked imagination! With renditions of This Is Me and Just the Way You Are Donaldson Class definitely left an impact with all (and a few tears)!

## PGL 2020 Deposits

The deposits for the 2020 PGL trip are due TODAY for Y4 parents! You can either pay online via your child's [School Money account](#) or via reception.

If you have any queries, please do not hesitate to contact reception.

## Dogs On Site

**Please remember, we are not allowed dogs on site.**

**This is due to health and safety reasons, many children can be allergic to dogs and the dogs themselves may not be used to the children.**

**The school dogs, Hugo and Ralph, are both trained to be around children and are hypoallergenic so do not cause allergic reactions.**

## Holiday Club!

Time for the last holiday club of the year! We will be holding holiday club from Tuesday 28<sup>th</sup> to Thursday 30<sup>th</sup> May, here at IVJS.

We will have games, crafts, dancing, bowling, quizzes and more.

Let's increase children's exercise and help to reduce pollution!

Pop along any time between 10am to 1pm.

Thank you!
