Well done London Class!

This Week In School...

Year 3 – have been very learning about time in Maths this week. They have learnt about Roman numerals and then moved onto exploring analogue clocks to tell the time to 5-minute intervals. In English, they have completed their diary entries based around 'The boy at the back of the class'. In Art, they have created their final pieces of work around the theme of 'Storytelling through art'. They have created some very imaginative and colourful pieces which they hope to share with parents towards the end of the year. In French, they have been learning to order their favourite flavours of ice-cream, using full sentences. It has been wonderful to see their confidence grow as they talk to each other in French.

Year 4 – have been writing a newspaper report about the eruption of Mount Vesuvius. In Maths, children have been learning time, months of the year and days. In Geography, children were exploring mountain ranges in Ghana and used their maths skills to create a bar chart of different mountain ranges. In DT, children were practising their cutting, sticking and assembling skills to use a net to make a 3D shape. In Science, children have been explaining how natural causes like hurricanes and earthquakes can cause damage to a habitat.

Year 5 – have written a few stanzas of their poem about a race - it was wonderful to see their creativity seeping in to their poems in forms of poetic devices! The children learnt about polygons and 3D shapes in Maths and have deepened their understanding of shapes. In Humanities, children exhibited their understanding of volcanoes by labelling a diagram of a volcano. In Science, the children also produced some brilliant information texts about mammals to showcase their understanding of reproduction in mammals. They also enthusiastically contributed to the PSHE lessons where we discussed the benefits and risks of online gaming. The children actively participated in their PE lessons - their resilience and perseverance in these lessons have been amazing! It was a fun week in Year 5!

Year 6 – have been working really hard in the final push before they sit their SATs next week. They have been revising aspects of spelling, grammar, reading and maths. In English, the children have been continuing to write their narratives based on 'The Lighthouse' where they are impressing us with their great descriptive writing. We have continued with our new humanities topic, history - The Victorians; the children have been looking at what it was like to be a child at school during the Victorian era and have been comparing school then with school today.

Ivertastics!

Well done to:
Zoya and Adam!

Our office email is
office@ivjs.school

LISBON CLASS COFFEE MORNING

Parents welcome from 9am, Thursday 23rd May

Y6 SATS WEEK

Next week is the big week for our Year 6s; SATs Week! Each morning, the children will be sitting their exams from 9am so please remember to keep the noise to a minimum! Our Y6s are also invited into school Monday to Thursday next week from 8.15 to have breakfast and settle in before their exams. If you have not received a letter and would still like your Y6 child to attend this free breakfast session, please let us know by emailing office@ivjs.school with any dietary needs.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

26 th Jun	Y3 Art Exhibition
5 th Jul	Sports Day
11 th Jul	Prague Class Coffee Morning
19 th Jul	Last Day of School Year, 1pm Finish

Year 4 - Remember to practice your times tables ready for this

YEAR 3 FOOTBALL FESTIVAL

This week saw the turn of our year 3s taking part in their first school event. Held at Robertswood School, we had eight Y3 children take part in a football festival, which focused on participation and fun in football. Our team of boys and girls took part in three games against Robertswood, St Marys and Holtspur in which we scored a total of 5 goals! They also took part in some mini coaching sessions from Y6 children to help develop their skills. All the children were brilliant and behaved impeccably representing IVJS, fun was had by all and they even came away with a shiny medal!

Thank you to all the parents and families who came to cheer them on

Y5 SCIENCE OXFORD TRIP!

Next Friday is our Year 5 trip! Please remember to return your slips to the class teachers as soon as possible. For those Y5 parents who are able to donate towards helping us fund the trip, you can make a £10 payment on your School Money account.

ECO SCHOOLS

Thank you to everyone who entered our 'Big Battery Hunt' competition!
Our competition entry winners are below!
Keep a look out for our posters which will be appearing around Iver Village.

Our ECO club members have been thrilled with the number of batteries that have already been recycled so far!
