Lates	3	2	3	2	1	1	2	6

Well done Morpurgo Class!

This Week In School...

Year 3 – have been practising using formal method for addition and subtraction for a variety of problems in Maths, including money problems. They have also been working hard to finish their letters to Dominic Greeve, MP regarding climate change and the need to prevent further destruction of our environment.

Year 4 – have been using their knowledge of newspaper features to write our own based on their book 'Varjak Paw'. In Maths, they have been using addition and subtraction operations to help use solve problems which include money. In Art, they have been creating Benin clay art using the African Savannah as inspiration. In Science, they have been comparing the types of teeth of different animals and coming up with scientific reasons why animals have different teeth. In Humanities, they have continued to look at Ghana and this time, have focused on Ghana as a tourist destination. For the Big Soup Share, year 4 created a delicious mushroom soup!

Year 5 – have been focusing on multi step word problems which involve both subtraction and addition in Maths, In English, they have used their knowledge of the refugee crisis to write a newspaper article. In Science, Year 5 have been investigating how materials dissolve to form a solution while for the Big Soup Share, they made a festive pumpkin soup and even roasted their own pumpkin seeds!

Year 6 – have been focusing on Art and have looked at the work of artists Leonora Carrington and Diego Rivera. As part of these lessons, the children have all made their own dream catchers (which were very good!) and have started work on drawing a person they are amazed by. In English, they have been publishing their first person escape stories while in Maths this week, they have been looking at methods for solving division calculations.

No Nuts!

Don't forget we are a **NUT FREE** school!

We have noticed that children are starting to bring nut based foods into school for snacks and for lunch (including Nutella).

Please remember that we have children in the school with **serious nut allergies** and may end up in anaphylactic shock due to your child's lunch.

Please note, if your child comes into school with any nut based products, they will be asked to eat their lunch in the school library on their own (with adult supervision) to limit any contamination in the school Diner.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Watch Out – Nits About!

Walk To School Month!

October is Walk to School Month!

Why not get your walking shoes on and walk to school or even if you come by car, why not parking up the road and walking down for that extra 5 minutes of exercise? Your body and the environment will thank you for it!

The Big Soup Share 2019

Another year, another brilliant Soup Share evening here at IVJS!

The children were fantastic and made some truly delicious soups for us to try, Year 3 made tomato soup, Year 4 made mushroom soup, Year 5 made pumpkin soup and Year 6 made some particularly good leek and potato soup (but I'm biased!).

The evening itself had a fantastic turnout, our school hall was chocka-block with hungry but very happy people! All the soups went down a treat and the children had some brilliant recipes to take home, even converting some of the fussiest eaters with them!

Thank you to everyone who attended and helped us with our Harvest Festival collection, all donations will be sent to the Slough Homeless Charity for distribution to those who need it most.

We would also like to thank our very own Mrs Witheridge who spent all day making sure the soups were perfect!

IVJS Football Update

St Mary's vs IVJS

On Monday, IVJS played their first league game of the year against St Mary's. IVJS played extremely well and conducted themselves impeccably in tough conditions and in a hostile situation. IVJS won the game 7-1 with goals from Ronnie (3), Connor (2) Myles and Paul. A very well done for the brilliant performances from Miles Clifford and Myles Taylor-James who played incredibly well and to man of the match Connor! Great start to the season! Year 5's turn next week!

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
