Lates	3	1	0	3	1	1	0	0

Well done Lisbon Class!

This Week In School...

Year 3 – have been writing a diary entry about the old man building the tin forest of his dreams during their English lessons. In Maths, they have been using their addition and subtraction skills to solve word problems. During RE this week, they worked in groups to present their ideas about how they could help others within the community and they came up with some very imaginative and thoughtful ideas. In Art, they have been learning about primary and secondary colours and have used paint to explore colour mixing, creating their own colour wheels. Year 3 have come to the end of their Science topic about plants, they have sorted plants into categories according to how they disperse their seeds in the plant life cycle. It has been a very busy week!

Year 4 – have been researching and writing a non-chronological report about plastic pollution! They have been very interested and shocked to find out so many facts about the problems with plastic. Year 4 have been working really hard in Maths. They have used what they had learnt in Year 3 to be able to use column method to add two four-digit numbers together. In Science, they used what they had learnt in the previous lesson about the water cycle and wrote some amazing diary entries, pretending they were a water droplet in the water cycle. In Humanities, they discovered how volcanoes are formed and found out what volcanoes are in Africa.

Year 5 – have engaged in a wide range of exciting activities. In their Art class, they showcased their creativity and understanding of negative and positive space by crafting stunning pieces of artwork. In Maths, they delved into the world of word problems, sharpening their problem-solving skills through addition and subtraction. Furthermore, they began exploring the concept of multiples. In their English lessons, the students began working on an informative leaflet about China, diving into research they have collected in Humanities lessons, which will be woven into their written work. It's been a week filled with exploration, creativity, and academic growth!

Year 6 – have been working very hard on assessments this week. They have had tests in grammar, spelling, reading and maths; and we are very proud of the positivity and resilience they have shown during the week. As well as the assessments, they have been publishing their non-chronological reports on climate change and global warming in English; and have been continuing to find out about evolution and inheritance in Science. This week, the children have been finding out about Charles Darwin and his theory of evolution, as well as natural selection. The children have concluded their PSHE topic by working in groups to discuss the consequences of an imagined situation and have participated in role play to learn how one person's actions can have consequences for many other people.

Thank You For Visiting!

Thank you to all the parents who managed to make it to our Parent Drop-In Afternoon on Monday. It was so lovely to see so many of you about the school. If you didn't manage to make it in, don't worry! We will be holding this term's Parents' Evenings (online) on Tuesday 7th and Thursday 9th November so you can speak to the class teachers. We will be sending more information about how to book next week.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Iver Village Junior School

Iver Village Junior School

Believe. Achieve. Succeed Together.

Don't forget we are a **NUT AND SESAME FREE SCHOOL** - we have children who have allergies! (let's leave them for the squirrels)

Date	Event
16 th - 20 th Oct	Y6 PGL Week
23 rd to 27 th Oct Half Term	
30 th Oct	INSET DAY
31 st Oct	Children return to school
31 st Oct	Y4 Iceland Day
6 th Nov	Pupil Photo Day
7 th Nov	Parents' Evening from 4pm (online)
9 th Nov	Parents' Evening from 4pm (online)
17 th Nov	Children In Need Day
20 th Nov	Flu Vaccinations - All Years

What A Week Of Football!

A very busy week for the Iver Village football teams with 3 fixtures taking place in the space of two days! On Wednesday the girls team took on Chesham prep in round one of the cup. A very entertaining game with the home team starting slightly brighter, they took an early lead and began to dominate the game. A great exhibition of football from both teams and some great link up play from Kyla and Darcey creating more attacking moves from Iver. The game finished a very close 3-2 to Chesham which unfortunately saw us out of the cup. Both goals scored by Darcey. A very encouraging performance from the girls.

On Thursday, we hosted our first league games against Farnham Common for both the boys and girls on a very wet afternoon. The girls were up first and faced a very strong Farnham team, although battling well, our opponents took the lead and added a second shortly after. Our superstar keeper, Lexi, kept us in the game with some amazing saves and great resilience. After half time we had some great attacking play from the girls but Farnham proved too strong and added 2 more to make the final score 4-0 to the visitors.

The boys were up next and started very strong with a deluge of chances in the first few minutes. Playing some silky football from the defence down to the attack, we deservedly took the lead through Ibrahim. Our midfielders were dominate and passed the ball round seamlessly but got caught on the break with a Farnham attack and they equalised making it 1-1. A very physical second half saw more attacking from Farnham but our defence stood strong and with some great forward play from Iver we took back the lead with a great strike from Kayne.

Girls team v Chesham Prep – Mila, Georgia, Kiki, Syke, Evie W, Gypsie, Kyla, Darcey, Sophia

Girls team v Farnham Common – Lexi, Georgia, Kiki, Skye, Kyla, Sklya, Darcey, Annie

Boys team c Farnham Common – Jack G, Buster, Grayson, Ethan, Blake, Taylor, Ibrahim, Kayne, Oskar

Any child with 100% attendance for the week will enter the 'Wheel Of Fortune' prize draw! The winner will be drawn live with a chance to win a book!
