Potter Group	Katie and Guransh
Rowling	All Rowling!
Rosen	All Rosen!

P4C - Question of the Week

Can you imagine a world without colour?

Sportiacs of the Week:

Upper School	Sejr
Lower School	Mason

Our office email is office@ivjs.school

Reminder: School starts at 8.45am
Thank you

This Week In School...

Year 3 – have created some fantastic diary entries all about the Stone Age! They have slept in caves, completed cave painting and even gone hunting! In Maths, they have been discussing different types of lines including horizontal, vertical, diagonal, parallel and perpendicular. They have also discussed angles including acute, obtuse and right angles. In Science, they are investigated different types of rocks including metamorphic, igneous and sedimentary and have started to look into the rock cycle.

Year 4 – have been designing and making their own mosaics. The children have all made their own stamps to make an effective design using paint. They have also been doing LOTS of Times Tables Rockstars practice. All of Year 4 have also taken part in a *Now Press Play* all about Pompeii and the disaster that occurred there in 79 AD. The children have learned about the disaster and have been using their knowledge to write a newspaper report of the event.

Year 5 – have written a diary entry in English this week based on the book 'Cosmic'. They have been responsible for ensuring they include the language features from the success criteria. They have planned, written, edited and published the entire piece of writing independently. During Maths lessons, they have added and subtracted whole and decimal numbers, looked at decimal sequences and multiplied and divided decimal numbers by 10, 100 and 1000. They have continued with their topic based on the local area and compared it to China. They located both places on a map then compared the landscapes.

Year 6 – have worked really hard during their SATs and we are really proud of the effort, resilience and perseverance they have shown throughout the week. Following the efforts put in each morning in their tests, each afternoon the children have had the opportunity to learn some skills in softball and have enjoyed the different aspects of this. In Computing, they have finished coding their text adventure games and will be moving on to a new topic soon. They are continuing to find out more about the Maya civilisation in Humanities and have been exploring their thoughts, feelings and actions linked to mental health in PSHE.

Class Photo Day

Tempest Photography will be in on Tuesday 17th May for class photos.

Please remember to send your child in to school in full uniform (with their PE kits to change into if their class has PE on Tuesdays).

All children will have their photo taken with their class. Class photos will be available to purchase after (normally a few weeks after) by anyone who has a child in the class. Should you have any issues with your child being in the photo that will be available for purchase, please speak to the school reception.

School Start/Finish Times

With more restrictions being lifted, we are returning to our pre-pandemic start and finish times so all our children will be starting and finishing at the same time.

The changes to either times will only be either 5 minutes earlier or later than the staggered times previously.

The school day **starts at 8.45am** with children starting lessons after registration at 8.50am. Please note, children in school after this time will be marked as late as they will be missing out on learning time.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

6 th Jun	Children Return To School
11 th Jun	TLC Day
22 nd Jun	Sports Day
24 th Jun	Summer Fete!

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels) 

WALK TO SCHOOL WEEK 2022

Why not take part in Living Streets' Walking Challenge for next week's Walk To School Week? This year's challenge, #PowerUp, will engage pupils through video game-inspired design, encouraging them to travel sustainably to school every day of the week. Each day will see a level unlocked and a new mission to complete, through which pupils will discover the incredible benefits of walking for individuals, communities and the planet.

TLC Day on 11th June – We need your help!

Join us in the morning for tea/coffee, bacon sandwiches and spring cleaning our school grounds!

Jubilee Bake Off Competition!

We have a winner! Congratulations to Sienna in Year 4 who created the winning entry. Sienna's cake design will now be entered into the competition for the whole of Buckinghamshire.

Softball Afternoons in Year 6

The Year 6's have worked so hard this week so they have had their afternoons filled with Softball delivered by the lovely Alyson. The children have been learning to field, pitch and bat before playing class against class on Friday afternoon.

Letters/Blogs out this week:
