Well done Year 5 Classes!

This Week In School...

Year 3 – have settled well and are working hard on writing a diary entry using their text based story, *The Tin Forest*. In Maths, they have been working on their number bonds and adding and subtracting in 10s and 100s. In Science, they're looking at plants and will be growing their own ones in the week!

Year 4 – have started the new term positively and have been working really hard from day one. In English, they have started reading the first book of the year, *Varjak Paw*. They've started writing an informal letter from Varjak to his grandfather, Elder Paw. In Maths, they have been refreshing their knowledge of place value and have been working with four digit numbers. In Science, they have been learning all about the digestive system and what each part does. They've even carried out an experiment visualising the digestive process and ended up making "poo"!

Year 5 – have been looking at Place Value and can now read really large numbers accurately. They have started looking at *The Journey* in Literacy and will be writing a poem over the next couple of weeks based on it. They have been enjoying reading and listening to some amusing poems too! They have also started learning about China! Ask Year 5 what they have learnt this week!

Year 6 – have started their year with a great attitude to learning and have already been working hard. In English, they have been writing story openers for different genres and in Science, the children have started their topic on Evolution and Inheritance. They have also started their new Humanities topic - Brazil.

Flu Vaccinations

Flu Vaccinations are now open to all year groups and will be held in school on either 7th October or 4th November 2019, depending on the availability of the vaccinations.

The Vaccinations team have an online form for parents to opt in, please follow the link and use the school code: EE110239

For more details and the full letter sent out, [please click here to visit our website.](#)

PE Kits!

We would like to remind parents that PE kits should be in school every day where possible.

We often hold surprise events, Interhouse tournaments and extra PE lessons throughout the term so children will need their kits on school as much as possible in order to take part in these events.

Thank you.

Please remember to check your children's hair for nits!

Don't forget we are a nut free school as we have children who have allergies!
(let's leave them for the squirrels)

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

30 th Sept - 2 nd Oct	Bikeability Course
7 th Oct	Flu Vaccinations – All Years
9 th Oct	Big Soup Share Evening – 6.30pm
9 th Oct	School Photographer In

Well Done To Our Incredible Artists!

Three of our pupils' art work was entered into the Farnham and Hedgerley's Horticultural Society Show last weekend. We are very proud of all three girls and particularly Molly who won first prize in her category!

Zoo Lab!

We are very excited to have our friends at Zoo Lab back to visit our Year 6s this year!

The children will be learning about how living things on Earth have changed over time. They will be introduced to the idea that characteristics are passed from parents to their offspring and they will begin to understand that variation in offspring over time can make animals more or less able to survive in particular environments. This visit will involve the showing and handling of live animals and all of the children will get the opportunity to handle some of the animals themselves!

We are asking for voluntary donations of £7 towards the costs on the visit from our Y6 parents, payments can be made via our [School Money system](#).

FISA AGM

FISA will be holding their Annual General Meeting at the Iver Village Infants School on Wednesday 18th September at 6.30pm. We would like to welcome all parents/guardians to the meeting, FISA are also always on the lookout for more lovely, helpful parents who would like to join the PTA or help out at any of their upcoming events!

School Money Payment System

For any parents having issues setting up their new School Money account, please call the school reception for assistance.

Girls Football!

Girls Football Club and are friends at Play Our Way will be back next week for the start of club this school year!

Girls Football is now open to all year groups, if you would like to join, please speak to Mrs Goggin in reception for a form. All payments will need to be paid directly to the Play Our Way company.

Please make sure that everyone who attends has football boots and shin pads as well as trainers as lessons may take place in the school hall in bad weather.

Ivertastics!

Well done to;

Nazeeha, Kobi-Jack, Hasnanin, Veron, William, Eleanor, Gabriel, Ruby

P4C - Question of the Week

Is a journey the same as a holiday?

-Year 5

Letters/Blogs out this week:

Flu Vaccinations (all years)

Yr6 Zoo Lab

Copies of school letters are available on our website

www.ivervillage-jun.bucks.sch.uk

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
