Well Done Buttercup and Rose!

This week in school...

Year 3 – have been thinking about using their maths skills in real life by counting up coins and finding change. They have also worked hard to develop descriptive language in their stories and are ready to be published.

Year 4 – have been creating their very own fables which have a strong moral and teach a valuable lesson. In Maths, they have been consolidating their understanding of estimation and using this to check their answers. They have also learnt how to use the inverse.

Year 5 – have been writing up their Coke and Mentos experiment using detailed scientific vocabulary. In Maths, they have been looking at rounding and estimation when working out word problems.

Year 6 – have been studying poetry techniques and have started to produce some great poems. In Maths, they have started to look at efficient written methods for multiplication and division. Everyone also looked fantastic in their costumes this week!

IVJS Badminton Team

The IVJS badminton team faced the Marish Primary Badminton team here in our hall on Monday evening. We can announce that after a tense match, the IVJS team came away victorious due to their fabulous badminton skills.

Congratulations to our team, Ella, Harvey, Nathalie, Harley, Julia and Jake who not only performed incredibly but won modestly showing that we not only have wonderful athletes here in the school, but we also have lovely human beings!

Parents' Evening

This half term's Parents' Evenings will take place the first week back after the half term.

The evenings will be held on Wednesday 2nd November between 3.30pm and 5.30pm and again on Thursday 3rd November between 5.30pm and 7.30pm.

We will be using our online booking system again this year so to book appointments with the class teachers, please head to

parents-booking.co.uk/ivervillage

You will need child's name and date of birth to log in. Should you have any issues logging into the online system, please contact the school reception for assistance.

Thank you.

Year 4 Tesco Trips

Our wonderful Year 4 classes went on class trips this week to Tesco's in Gerrards Cross to learn all about how food is preserved once it has been harvested, where food comes from, what seasonal produce is and even had the chance to go behind the scenes and see what goes on to make a supermarket run.

We would like to thank our parent helpers who came with us over the two mornings, the children had such a wonderful time.

Check Out The Book Swap!

Our Book Swap Bookcase has been up and running for a few weeks now and we are thrilled to say it has been a huge success! Thank you to everyone who has helped us by donating books to get the project off the ground and everyone who has come to swap a book, it's fantastic to see such an excited view towards reading!

PGL!

"PGL was an enjoyable and fun trip that we'll never forget. The best parts were the giant swing because it was a team task where we had to pull a rope which lifted two people on the swing at a time. Another really great part of the trip was the trapeze which was a long pole with steps, the aim was to climb up to the top of the pole, don't worry, you had a harness on. Once you reach to top, you pull a rope and your off!

We went kayaking as well but we fell in the water which was freezing!

The staff there were amazing!"
