Well done Morpurgo Class!

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels) 🐿️

This Week In School...

Year 3 – have written a message in a bottle using the Oliver and the Seawigs book and it's characters. In Maths, they have been revising addition and subtraction methods. They have also worked hard in Art to complete a fantastic Monet display using all their artwork this term.

Year 4 – have been writing a narrative poem about Arthur's journey to Asgard in English. In Maths, they have been focusing on decimals, transferring their skills and applying their knowledge to money based word problems. In Humanities, they had a great time cooking and eating a Moroccan Harira soup! Meanwhile, in Science, they have been learning all about the water cycle and producing a piece of cross-curricular writing in the form of a diary entry.

Year 5 – have been learning about the link between fractions and decimal numbers in Maths. In History, they have been creating a leaflet about everything they have learnt in their *Ancient Greeks* topic. In English, they have been creating a newspaper report on Usain Bolt's Career and how AJ ran at the Olympic stadium.

Year 6 – have been working really hard during their mock SATs week to apply the skills that they have learnt over the past term. Well done everyone for showing such hard work and determination – you were amazing!

Happy Half Term! See you on Monday 24th February.

Safer Internet Day 2020

Safer Internet Day is designed to empower young people to take control of their digital lives. For 2020 the focus has been put on "online identity" and asking young people to consider whether they and their peers are truly free to be themselves online.

On the day we had a whole school assembly, taught specially designed computing lessons and our wonderful E-Safety Ambassadors read the story '#Goldilocks' by Tony Ross to all classes.

Fruit Request!

Thank you all for your donations so far!

The fruit box has been a brilliant success this week and the children have been thrilled about the idea of new, healthy snacks for break time. The idea is for parents to donate a piece of fruit each day where possible to promote healthy eating.

There will be a box outside reception for parents/children to drop a piece of fruit when they can.

This Week's Staffie Award!

This week's 'Staffie' was given to the teachers of the week, Miss Bjorck, Mrs Bowden and Mrs Orr for helping to run a brilliantly efficient Yr6 Mock SATs week to help all our Year 6s get exam ready!
