Lates	3	3	3	7	1	2	1	4

Well done Cairo Class!

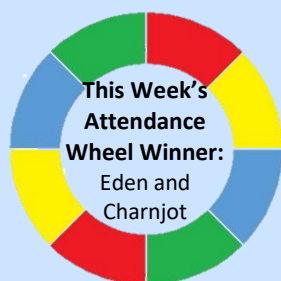

This Week In School...

Year 3 – have been writing a diary entry in English. They have been using expanded noun phrases and lists, punctuated with commas, to describe their exciting adventure travelling through jungles and even parachuting from an aeroplane. In Maths, we finished our topic on measurement. They have been measuring objects, converting between different units of measurement and adding lengths to calculate the perimeter of 2D shapes. In Science, we completed our topic on light and evaluated the experiment by reviewing our predictions and making conclusions. In Computing, we enjoyed using formulas in spreadsheet to calculate tricky maths calculations. In DT, they designed their monsters using pneumatics to make it move in preparation for after half term.

Year 4 – have used their imagination in English to write their own mini figure narratives, they have thought of some amazing ideas! In Maths, they have been finding the perimeter of shapes and have used our knowledge of rectilinear shapes and regular polygons to work out the missing lengths. In Geography, we have learnt about drought, flooding and landslides in Africa and the impact these Natural Disasters may have. In PSHE, Year 4 have been learning about different types of families. We have explored nuclear, blended and adopted families to name a few. The children enjoyed sharing about their own families. They learned that although every family is unique, we can celebrate and respect all types of families, even those that are different to our own. Lastly, Year 4 have been learning about teeth and the children have enjoyed conducting an experiment to find out which drink causes the most damage to our teeth.

Year 5 – have proudly completed their The Dream Giver narratives, taking great pride in publishing their final pieces. In Maths, they worked hard to master equivalent fractions to tenths, hundredths, and thousandths. Whilst their history lessons took them back to the Mayans, exploring how they built their society, in Science the children carried out hands-on experiments bringing friction and mechanisms to life. The children have also been thoroughly enjoying Cosmic, the class book, engaging enthusiastically in discussions. Year 5 had a busy yet exciting week!

Year 6 – have worked extremely hard this week and have completed their half-term assessments. They should be really proud of themselves and the progress they have made so far. In Science, the children have continued to explore the topic of 'light'. This week they have investigated how light travels and how it is reflective. In Geography, Year 6 enjoyed researching Sugar Loaf Mountain in Brazil and putting together a presentation ready to present to the rest of the class. In Art, the children have concluded the topic - Painting and Mixed Media: Artists study. Throughout the term, they have explored a selection of paintings through art appreciation activities. Collected ideas in sketchbook and planned their final piece after researching the life, techniques and artistic intentions of an artist that interests them. The children have demonstrated fantastic artistic skills and impressed us with their final piece of artwork.

Our office email is office@ivjs.school

Clubs are available to book on School Money!

Please note: Fitness club will only run for 5 weeks as it will start the second week of term on Wednesday 5th March.

Iver Village Junior School

Iver Village Junior School

Believe. Achieve. Succeed Together.

Don't forget we are a **NUT AND SESAME FREE SCHOOL** - we have children who have allergies! (let's leave them for the squirrels) 

Date	Event
17 th to 21 st Feb February Half Term	
24 th Feb	Spring Term 2 starts
28 th Feb	FISA Disco
3 rd Mar	Y6 Cuffley Camp Trip
4 th Mar	Y5 Cuffley Camp Trip
5 th Mar	Y3 Cuffley Camp Trip
6 th Mar	Y4 Cuffley Camp Trip
7 th Mar	World Book Day at IVJS
11 th Mar	Parents' Evening
13 th Mar	Parents' Evening
21 st Mar	Red Nose Day

Spring Term Parents' Evenings Are Live!

Our Parents' Evenings this term will be a mixture of online and in person again. Tuesday evening will be IN PERSON while Thursday appointments will be ONLINE.

Cairo Class - Tuesday in person appointments will be with Mrs Macdonald and Thursday online appointments will be with Miss Bjorck.

SEN - Should you wish to discuss any of your child's SEN needs, please feel free to email Miss Couves. You are welcome to arrange an appointment with her directly ecouves@ivjs.school.

For the full details, please head to

Stoke Poges vs IVJS

This week the girls' football team was involved in league and cup action. With the original fixture postponed in December due to bad weather, we were able to travel Stoke Poges on Thursday to play. We had a strong mix of year 6 and year 5 girls who put in a solid performance on what was a very tricky pitch. Iver started strong and kept possession well with ongoing attacks against the Stoke Poges defence. Our midfield dominated the game and linked well with each other. Our defence was strong and put a stop to any of their attacks. We took the lead in the first half with some skilful work from our midfield and persistence in the goal area. The second half saw us keep dominance but Stoke Poges kept pushing on the attack. Our defence stood resilient and kept them out with some great saves from our keeper also. With minutes to spare and extra time looming Iver went on the charge, three girls playing forward and passing between each other beautifully, a strong shot was dropped by the keeper only to be slotted home by our IVJS player! A 2-1 victory sees us through to the next round of the cup.

A brilliant result but most importantly a great attitude and team work showed by all. Thank you to all the parents who came along to cheer us on and provided transport.

Ivertastics!

Well done to:
Miss Carey!

World Book Day 2025

We will be celebrating World Book Day on Friday 7th March this year at IVJS. Children will be able to come to school dressed as their favourite fictional characters! Please note, if your child does not wish to dress up, they are welcome to come to school dressed in their own clothes for the day.

Parent Century Logins

Don't forget to email office@ivjs.school if you would like your parent account set up to help with your child's Century homework.
