This week in school...

Year 3 – have been writing stories based on the book ‘Owl Babies’ where the owls lose their mother! (Don’t worry, it all ends well!)

Year 4 – have had an amazing experience with the Birds of Prey and have been writing reports on their afternoon with them. They have also started learning about volcanoes and how the Earth was formed over time.

Year 5 – have started to write alternative versions of ‘The Owl who was Afraid of the Dark’ for an older audience.

Year 6 – have been writing a report based on their enjoyable experience with the Birds of Prey.

Welcome Back!

We hope everyone had a lovely break over Easter, we are so glad to see everyone back and so enthusiastic to get back into learning!

We got the Summer Term off to a great start with Bird of Prey day on Tuesday and we have even more great days planned over the next few months. These include Year 4’s trips to Pizza Express where they will be learning about food production and where raw food comes from while the Year 3’s will be off to the Verulamium Museum to learn all about Roman life. Copies of all our letters/permission slips are available on our website.

We will be expecting a very large vehicle to arrive in the playground in May to teach everyone about lorry safety and our friends from the Science Museum are coming in to visit out Year 3’s and 6’s during April. They will be showing us some more mind-blowing experiments and hosting workshops about forces (with special guest star, Stunt Frog). We will also get all the insider information about our missions to Mars! I can’t wait, can you?

Sainsbury's
Active Kids
Eat well • Move well • Live well

Don't Forget we are collecting Active Kids Vouchers! Sainsbury's are issuing vouchers until **3rd May 2016**, please bring in any vouchers to our school Reception and help us get some fantastic equipment for the school. Thank you.

Parents, Give Us Your Views!

Parent View is an online tool that we use to get feedback and views of the school.

To have your say, head to;

<https://parentview.ofsted.gov.uk>

You can create an account, let us know your views and even receive an email when new information becomes publicly available.

Thank you!

What Do YOU Think?

Have you seen our new suggestion box? We have a lovely box set up in reception ready to accept all your views and suggestions for the school, don't be shy!

Bird of Prey Day

For our first day of the Summer Term, we had a very special treat for everyone. Our friend Kyle allowed his friends Bagel, Bentley, Pandora, Lennie and Florence to fly in and meet everyone!

We got the chance to see some incredible birds including owls, a peregrine falcon and a sparrow hawk. Some of our very brave pupils even had these incredible creatures perch on their arms.

Kyle, the handler had the birds fly between people and over everyone's heads showing their incredible wingspans. We learnt that eye colour determines when owls hunt and they have UV sensors in their eyes to track animals even when they hide!

We would like to say a huge thank you to our friends at FISA for helping to fund this fantastic day. A big thank you to all of you for supporting FISA events.

We Have a New School Crossing Patroller

We are very pleased to announce that we have a new School Crossing Patroller who has started this week!

We would like to welcome Anne to Iver and thank her for keeping us all safe.

Don't forget to say hello!

Year 6 SATs Preparation

This term, we will really be focusing on all the exams coming up for our Year 6's.

Any extra study at home will always be helpful, even half an hour can help boost your child's confidence in their learning. During SATs week, we will be holding SATs breakfast club each day for the Year 6's that will give the pupils an opportunity to have breakfast here from 8.15am and to relax before their exams start.

Bag2School

FISA will be holding Bag2School again this term on Wednesday 18th May.

Bag2School is a free fundraising scheme established in 2001 that works in partnership with schools and other organisations to help raise money from your donations by recycling textiles.

Details of how to donate with the donation bags will be sent out closer to the time.

Please remember not to let your school dinners account go over 3 days without payment as the Diner reserves the right to refuse service.

Parents will be contacted before this point.

Please contact the school office to set up a direct debit.

P.E Kits in School

We would ask that children have their P.E. kits in school every day for any extra sports activities that may take place.

Work of the Week

OWL BABIES

One gloomy dark night once my baby Owls called Sarah, Percy and Bill went to sleep. I went out to hunt for some fat juicy mice, because in our nest I was out of food. We are low on food! Then I look up while I was flying as silent as a mouse. There was something down below hawking at me. I noticed it was a FOX! Doo Doo Doo..... I swooped away but it would not stop chasing me! The Fox led me into a dead end there was no way out so I flew over back the other way. Finally I lost him because he got caught in the long sticky Wires. In the distance there were some baby owls sitting down on a strong branch, it was Sarah, Percy and Bill. When I got home they were waiting for me at the home tree. What is all the fuss? I asked. "I know I will come" said Sarah. "I knew it to" said Percy. "I love my mummy" said Bill.
