Well done Blake Class!

This Week In School...

Year 3 – have been writing reports about Tobago as they have read the book *Gregory Cool* which is about a boy who moved to Tobago. In Maths, they have been recapping the column method for addition and subtraction while both classes have been practising for their upcoming class assemblies!

Year 4 – have been writing their balanced argument in English and in Maths, they have revised dividing by ten and hundred.

Year 5 – have been revising factors, multiples and prime numbers in Maths this week. They have also completed their poems based on 'The Princess' Blankets'. In Humanities, they have been locating mountains in the UK, as well as learning about contour lines on a map.

Year 6 – have been continuing to rehearse their end of year production, Cinderella Rockerfella. They have also been finalising their Community Cards and have started writing non-chronological reports about the environment. Some of the children have also received visits from the Year 7 teachers they will be having in September.

Lower School Tennis

IVJS were lucky enough to attend a Year 3/4 Tennis Tournament competing against 6 schools in Buckinghamshire. IVJS showed amazing sportsmanship and skill - with a huge well done to Jujhar who won an award!

Sports Day

Next week, we will be holding our annual Sports Day! Each class will be taking part in a variety of events throughout the day so please remember to have your child bring their P.E. kit in on Wednesday.

Parents are welcome to come in to watch from 1.30pm, children will be running one race and taking part in a few events in the afternoon.

Gardening Club Plant Sale

Thank you to everyone who joined the Gardening Club for their plant sale this week. We were all blown away by the beautiful arrangements that had created to sell and by the sounds of it, so were you as they managed to raise over £100!

Artists of the Week!

Dahl – Aiden and Lacey E
Rosen – Josh

Don't forget we are a nut free school as we have children who have allergies!

(let's leave them for the squirrels)

Attendance Procedures - Reminder

Following on from our newsletter in March, we would like to remind parents of the school procedure for children who have unexplained absences from school. There have been public cases in the past where schools have not chased up the reasons as to why children are off of school. It has then transpired that there have been tragic circumstances around these absences, e.g. illness of a parent and a child unable to seek help. We will do everything we can to prevent such situations occurring as I am sure you would agree that your child's safety is paramount to us all.

If your child is not going to be in school please call the office or email the school to report their absence. Please do this before 9am on the first day of the absence and each day afterwards. If we have not heard from you by 9.15am then we will start to call all the contact numbers that you have provided in order to gain an explanation for the absence. If we still have not been able to ascertain where your child is then we will make a home visit. However, if we still haven't been able to get a response then we will report it to the police as your child will then be classed a 'missing child'. This procedure is to ensure that we know where your child is and that you are all safe. This is the recommended procedure in Bucks. Please let us know in good time why your child is absent from school. If you would like to talk to us about this please make an appointment to see Mrs Chapman-Allen.

Wake Up Wednesday - New Guides!

As part of The National Online Safety Team's #WakeUpWednesday campaign, they have created a free guide for parents & carers 'Playerunknown's Battlegrounds' (PUBG) – a game played by millions of children and young people worldwide. The guide is designed to inform parents and carers about the dangers and risks of letting their children play PUBG and how they can help keep their children safe online.

Dogs Trust

This week, our friends at the Dog's Trust visited us to hold some workshops in school about how to behave safely around dogs, both in school and out in the community. Children were taught how to read and interpret a dog's body language so we can work out what our fluffy little friends are trying to tell us!

Feeling Hot Hot Hot!

Now it is getting hot - getting some children to drink water is challenging. Why not try brightening up the water by adding fruits like frozen berries, kiwi or apple to make the water look and taste interesting.

FISA Summer Fair

Next week will be the Iver Village Schools' Summer Fair which will be held at the Iver Village Infants School on Friday 22nd June from 3pm. There will be many stalls and stands for you to take a gander at and a whole load of games for you to have a go at! Don't forget to say hello to our Year 6s who will be helping at some of the stands! Please note, there will be no homework club next week (on Friday 22nd June) due to the fair.

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school has been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
