Well done Washington Class!

This Week In School...

Year 3 – have worked really hard to show off all they have learnt in their assessments! In English, they have written their own narratives about the journey of a Snowman, using some very imaginative vocabulary. In Maths, they have been learning to multiply by hundreds and multiples of hundreds. It has been a very busy week for Year 3 in their Design and Technology lessons, they have created fantastic finger puppets and then developed their skills by designing glove puppets. They have really persevered with their sewing skills to create their puppets. Great job Year 3!

Year 4 – have been busy learning about staying safe online, collecting data about their screen time every day and learning about databases. It has been a busy week of Maths and English assessments but all teachers are very proud of their classes and how much progress they have made this term! In English, Year 4 have been writing their own narrative poems about 'Arthur and the Golden Rope' and have tried to make sure they have included rhyme and interesting descriptive language. In Humanities and Science, they have been reviewing their learning for the term by creating mind maps and recapping key vocabulary.

Year 5 – have been working hard on their Maths assessments and have shown us how well they have remembered everything they have learnt so far! In English, they have completed their festive narratives and have started to make some excellent book reviews for the Year 5 display boards. Everyone is so excited to see some of their lovely work up for all to see. In DT, the children have worked so hard to make some excellent pencil cases out of felt. They have successfully threaded their needles and joined their edges using a simple basket stitch.

Year 6 – have worked exceptionally hard completing their end of term assessments. We are so proud of every single one of the children in Year 6 and we hope that they feel very proud of all they have achieved this half term! In science, we have been learning about scientific classification for living things, the different types of microorganisms and how they can be helpful as well as harmful. On Friday, we have had an exciting day cooking for our DT project and learning safe kitchen skills. We are all looking forward to continuing cooking on Monday!

Ivertastics!

Well done to:

Ola, Cash,
Joanna, Evie H
and Ronnie !

Our office email is
office@ivjs.school

REMINDER:

We finish at 1pm on Tuesday 20th December
There will be no afterschool club that day.
Thank you.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

@ivjs_bucks

Iver Village Junior School

Date	Event
20 th Dec	Christmas Party Day!
20 th Dec	End Of Autumn Term, 1pm finish and non-uniform day
Christmas Holiday 21 st Dec – 4 th Jan	
5 th Jan	Children Return To School
Spring Half Term 13 th – 17 th Feb	
20 th Feb	Children Return To School

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels) 🐿️

XMAS PARTIES!

This year's class Christmas parties will be on Tuesday 20th December (the last day of term).

All year groups will have their lunch in school slightly earlier than normal with individual class parties going ahead between their break times. It will be a non-uniform day.

Children do not need to bring anything extra in, all games etc will be provided for by us.

We will be finishing at 1pm on the 20th December with no after school club running that afternoon.

CHOIR OUTING

Our upper school choir performed for the residents of Sunnyside Nursing Home on Wednesday. They sang beautifully and were a credit to the school. The residents enjoyed singing along to some of their festive favourites!

Christmas Art On Display!

Have you seen the Hilton Locke and King display yet? The beautiful houses, courtesy of our fabulous artists in Year 4. The only problem is that we can't live in them!

STAFF CAR PARK AND ACCESS

Please remember NOT to use the staff car park for either parking or as a cut through to access clubs. This is very unsafe for pedestrians, especially as both the mornings and evenings are so dark and we cannot ensure your safety. Please use the pedestrian gate for access. Thank you.

Letters/Blogs out this week:
