Attendance	94%	96%	97%	97%	95%	96%	99%	99%
Lates	5	3	10	0	6	5	0	1

Well done Year 6 Classes!

This Week In School...

Year 3 – have written a descriptive poem about a pebble in English and in Maths, they have been looking at measures including capacity, length and weight. In Science, they have been learning about the famous palaeontologist Mary Anning while in Humanities, they are continuing to learn about prehistoric Britain.

Year 4 – have been writing a narrative in English for the next chapter in their book, *The Miraculous Journey of Edward Tulane*. In Maths, they have been investigating decimals in relation to money and have been creating their perfect playground based on a budget. In Science, they have been writing a persuasive letter to try and minimise the negative effects on habitats from HS2.

Year 5 – have been busy reflecting shapes in Maths and have become whizzes at using co-ordinates! In English, they have been learning all about the Tardigrade and created a fantastic character description. Alongside this, their knowledge on China is expanding and they have learned all about the various festivals that are celebrated in the Chinese culture.

Year 6 – have worked really hard this week as they have finally completed their SATs - we are very proud of all the effort they have put in. Well done Year 6! As well as completing their tests, the children have continued with their Art topic and have produced their own versions of an Andy Warhol picture.

Holiday Club!

Time has flown by this year, it's time to book holiday club for the half term! We will be running Holiday Club from Tuesday 28th to Thursday 30th May, here at IVJS.

We will have games, crafts, dancing, bowling, quizzes and more.

[Click here to book](#)

Train Your Trainers Day

Next Wednesday is Train your Trainers Day! Mr Hawkes has arranged for everyone to take part in a sponsored run, a full mile around the school playground. To celebrate this event, you may wear your trainers to school that day too!

Please ask your family members and close friends to sponsor you. This will also be an inter house sporting event so first ones across the finish in each class get points!

The funds that you raise will be used to buy more sports equipment for our school. If we raise enough money we may be able to purchase another eco-friendly table tennis table as well as basketballs, footballs, hoops and skipping ropes.

Please remember to check your children's hair for nits!

Don't forget we are a nut free school as we have children who have allergies! (let's leave them for the squirrels)

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

[TLC Day](#)

Copies of school letters are available on our website

SATs Week!

It's finally over for this year!

This week, our Year 6s sat their SATs exams meaning their months and months of revision and practice is done!

We are incredibly proud of our Year 6s for really knuckling down and facing the exams with determination and optimism. We would also like to thank all our other pupils and you all for bearing with us with slightly staggered break times etc. We know it meant the world to everyone.

Bag2School!

Don't forget our Bag2School collection will be next week, Wednesday 22nd May.

We will be collecting clothing, paired shoes (tied together or elastic band around), handbags, hats, bags, scarves and ties, socks, belts and household linens e.g. curtains, towels and bedding. Unfortunately, we cannot accept duvets, cushions, carpets or uniforms.

Walk to School Week

Living Streets organisation are hosting their Walk to School Week from **Monday 20th May.**

We are encouraging everyone to get their walking shoes on and get moving! Let's increase children's exercise and help to reduce pollution!

Dogs On Site

Please remember, dogs are not allowed on site.

This is due to health and safety reasons, many children can be allergic to dogs and the dogs themselves may not be used to the children.

The school dogs are both trained to be around children and are hypoallergenic so do not cause allergic reactions.

Playground Equipment

Please note, the equipment and climbing frame in the playground can be dangerous for young children and we would like to remind parents to keep watch over their children. If they do use it after school, please be aware that we are not responsible for any injuries that many occur with any children on site that have either arrived with their parents/guardians or have been released by a teacher into their parent/guardian's care.

Photo Order Forms

Please have your class photo order forms in by Monday morning as they will be collected by the company that day.

If anyone has missed this deadline, you will still be able to order online at www.tempest-orders.co.uk using the class code. Please contact reception if you need your child's class code.

IVJS TLC Day

Join us for our school TLC Day on Saturday 8th June to help us with gardening and sprucing up our school grounds.

Bring your own gardening tools but we promise we will bring the cups of tea and the bacon butties!

Pop along any time from 10am to 1pm.

This Week's Staffie Award!

This week's 'Staffie' was given to the teachers of the week, all of them! Everyone, especially the Year 6 team and Mr Clifford, have worked so hard this week looking after our Year 6s, finding brilliant things to do after SATs and even making an incredible amount of toast at breakfast!

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us.** Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
