Well Done Buttercup and Rose!

This Week In School...

Year 3 – have finished their excellent stories about the never ending battle of *Rock, Paper, Scissors*. Alongside this, they have been looking at perimeter and area and have even designed their own playground. They have been very active practising for sports day!

Year 4 – have been compiling all the facts that they have learnt in their Humanities topic on volcanoes into a report. In Maths, they have been reading and plotting coordinates and then using this understanding to translate shapes.

Year 5 – have been producing a narration for a short film using emotive and powerful language. They have also spent a day designing and researching their own biscuit product.

Year 6 – have written some powerfully descriptive fantasy stories, their writing just gets better and better! In Maths, they have studied tessellation and the mathematical degree of spirals. They have started their production for the end of term with enthusiasm and energy!

Healthy Eating Week -15th - 19th May

Thank you to everyone who has helped us with their healthy lunches for Healthy Eating Week! We have been handing out stickers to show everyone that we are all making a huge effort to eat well and keep healthy.

Each year group got to taste, plan and create various foods/recipes including sandwiches, biscuits, bread and a fantastic healthy breakfast wrap!

For more on this topic, we will be consulting with parents during our Coffee Morning in June. The Coffee Morning will focus on developing a healthy packed lunch policy so that those not yet taking up school lunches are also eating healthier.

Artists of the Week!

Buttercup – Jake

Rose – George

Snowdrop - Rhiannon

Foxglove - Lily

Don't forget we are a nut free school as we have children who have allergies!
(lets leave them for the squirrels)

Daisy Class Assembly

This week, our wonderful Daisy Class performed an amazing class assembly based on Moana and the New Zealand Maori gods. With Moana and Maui as our guides, we met all of the New Zealand Gods. From Papatunuiku helping us find countries, Tane discussing some great animals, Tangaroa teaching us about sea shapes, Tawhirimatea showing us how to tell the time and Huimia and Rongo helping us with healthy eating, we got to fully see what Daisy class has been up to.

Lorry Safety Day

To continue this busy week here at IVJS, we have been visited by our friends at Heathrow in a very large lorry to learn all about how to stay safe around lorries. This included learning about blind spots and how not to approach a lorry, we even got the chance to sit inside the cab!

This has really helped us stay safe as it was national *Walk To School* week this week, the initiative set up to promote an active lifestyle!

Not even the rain stopped our tough lot!

A Day For Change!

Next Thursday is UNICEF's Day for Change. This is an opportunity to teach pupils about the power of nutrition and empower them to raise vital funds to help make sure malnourished children can grow up healthy and strong. On the day children can come into school wearing blue, donating a £1 to charity.

FISA Cake Sale!

FISA will be holding a cake sale here on Friday 26th May after school. We have sent every child home today with a paper plate for cake donations and we will sell them off in the bake sale on the Friday after school. Children attending Bluebells can bring some money into school and will have the chance to buy cakes before club.

Don't forget we are collecting vouchers!
