### This Week In School...

**Year 3** – have been investigating crime scene found out Tuesday morning in our playground! Look out for their newspaper reports about the situation next week. In Maths, they have been learning the expanded method of column multiplication for 2 and 3 digit numbers.

**Year 4** – have begun reading their new class book, *Varjak Paw*. They have written an informal letter to Elder Paw asking for his advice. In Maths, they have begun looking at multiplication and finding factor pairs of numbers. In Art, they've learned about the importance of Remembrance Day and have created a special poppy piece of work.

**Year 5** – have been learning all about the timeline of key events, which has related well to their Power of Reading book: *Odysseus*. In Maths, they have been learning about statistics, it's been great understanding exactly how to interpret graphs and start to create their own, based on data that they have collected themselves. They have also been lucky enough to have a special visitor from the Iver Parish council in this week, who explained all about Remembrance day - they spent the afternoon looking at pictures, old uniform and even some medals from old soldier!

**Year 6** – have started to write a newspaper report linked to their Power of Reading book, *The Last Wild*. Prior to this, they spent some time analysing newspaper reports and identifying the features of newspapers. In Maths, they have been looking at the recent tests the children completed in order to address any misconceptions they may have had.

## Reading Rocks!

We had a lovely start this morning with pupils and parents settling into a good book before school in our school library. Thank you to everyone who attended today, it's really lovely to see so many children enthusiastic about reading!

## Rights Respecting Schools – Article 28

This month the article from the United Nations Convention on the Rights of the Child is Article 28. It is all about how every child has the right to an education. We are so lucky and fortunate to be able to come to school free of charge. In many countries, children still are not able to go to school or it is not free so they can't afford to go. By not going to school children miss out on learning to read, write and basic maths skills. [Click here to view the full article.](#)

## The Iron Man Visits IVJS

Year 3 were investigating a 'Crime Scene' at school this week ... It looks like the 'Iron Man' had visited the playground in the night! The children will be using this theme to inspire their Newspaper article writing in class.

## Digital Ambassadors!

Last week, 4 children from Year 5 were invited to attend 'E-safety Ambassadors' training in Wycombe. These new E-Safety Ambassadors learnt how to be safer online and it will be their responsibility to help others to be safer online and to talk to children across the school about any e-safety concerns which they may have. Each year group will also be having e-safety training over the next 2 weeks in preparation for the launch of the e-safety ambassadors before Christmas. Please let me introduce to you, Connor, Joules, Lacey and Molly as our E-Safety Ambassadors.

## Lost Property's New Home

We have a new storage container at the front of our reception for lost property and left lunch boxes. Any lost property from the day will be left in the outside lost property chest to hopefully make it easier for everyone to track down that missing jumper!

## Operation Christmas Child

Don't forget, we are collecting for "Operation Christmas Child", organised by the charity Samaritans Purse. We will be collecting shoeboxes of toys to make sure as many children as possible, who might not otherwise get a Christmas present, receive something at this special time of year. If you would like to donate, we are collecting the boxes until Friday 9th November. We are aiming for shoeboxes of toys and hygiene products, for more details of what to donate and how to send it, please click here: <https://www.samaritans-purse.org.uk/what-we-do/operation-christmas-child/> All contributions have to be with us by Friday 9th November. Thank you.

## This Week's Staffie Award!
