British Values

This week saw another British Values day, this time focusing on democracy. Children spent the day on Thursday taking part in a variety of activities including making comic strips, writing and acting in their own plays and even a mannequin challenge, all to understand the meaning of democracy.

We have even had some pretty bright ideas from everyone about what they would do if they were Prime Minister; we definitely have some natural born leaders in our midst!

Drumming!

This week was the start of something musical... Drumming lessons! We have the fantastic Marc Daneckar come in to start lessons with the children. The children have all come out of the lessons with massive smiles on their faces and even the staff here have commented on just how incredible everyone sounds already! If you are interested in your child having drumming lessons, please contact the school reception.

Reading Football Day

Last Friday, the lower school football team were lucky enough to compete in a tournament at Reading FC's training ground. The team played with real passion and sportsmanship and won all of their seven games without conceding a single goal! Incredible! Well done to all the footballers and thank you for the parental support.
