## UN Conventions For Children's Rights

This month the article from the United Nations Convention on the Rights of the Child is Article 24, 'Every child has the right to the best possible health care.'

The basic needs for a child to survive are clean water, nutritious food and shelter. We in the UK have clean water to drink from a tap in our own home. We have supermarkets just down the road for us to buy healthy food and we all have a home to live in. We are very fortunate in the UK to have free health care for all. In many countries the health care is available but not free. In some villages around the world health care is not available and people and children have to travel many miles to see a doctor or a nurse.

This month's article is...

'Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer countries must help poorer countries to achieve this.

Talk time!

- What do we need to stay alive?
- Does every child in the world have clean water to drink? Can we do anything to change this? What could we do?
- Can you think of all the different healthy foods you eat?
- Why is it important to have a healthy, balanced diet?
- We are so fortunate to have amazing doctors and nurses in our hospitals and surgeries. Can you think of a time when you have been to the doctors or hospital? Have you ever had to take medicine to make you better?

Parents can now download the Teachers2Parents app which holds a whole list of previous text messages, school information and term dates so you won't miss a thing!

### Eco Schools In Action!

Our Upper School Eco Warriors were in action again this week, helping the South Bucks District Environmental Officer to change the diffusion tubes in the air pollution monitor outside our school. They also took part in a Council video on air pollution and gave their views about the effect this is having in our Village.

### British Values Day

This Thursday, IVJS celebrated this term's British Values Day. We focused on Law and children's rights linking this with our learning about the UNICEF Rights of the Child. Our children explored the different Articles and linked them to our rights in school. They created posters on playground rules, illustrated their rights on jigsaw puzzles and created comic strips.

### Inter House Cricket

We had an Interhouse Cricket Tournament this week where all children competed against their year groups in their houses. All children showed incredible sportsmanship and resilience when competing. Thank you to the amazing Year 5 Sports Leaders who helped to score, time and run the tournament. The overall winners were Ealing who have now won it twice in a row!

Don't forget to book Bluebells and Early Birds online.

Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3>

We will charge late fees of £5 per 15 minutes after 6pm.
