Well done Rosen Class!

This Week In School...

Year 3 – have been looking at money and how to find correct change in Maths. In English, they have been writing narrative poems.

Year 4 – have been writing a letter to their new teachers in English. In Maths, they have been recalling facts about division and multiplication as well as looking at different strategies. They have even had a teaching take over day where the children became the teachers!

Year 5 – have had an exciting week filming and editing their very own news report which included: news readers, reporters and witnesses, as well as creating their own props for the 'show'. In Maths, they have been revising through adding, subtracting, multiplying and dividing fractions.

Year 6 – have been working hard on their Leavers' Assembly this week, as well as putting on their final performance of their production, Cinderella Rockerfella. They did a great job and everyone really enjoyed the show - well done Year 6! They have also done a bit more work on transition ready for their move to secondary school and we wish them all the best for this new stage in their education.

As This Is Our Last Newsletter Of The Year...

Although we are all here and in class on Monday and Tuesday next week, this will be our last newsletter of the school year so we would like to take this opportunity to say thank you to all of you for all your support during the year. Sadly, we will be saying goodbye to some members of staff who are moving on this year, we wish them all the best of luck with all of their endeavours and would also like to wish Miss Zughaid good luck as she will be away on maternity while she enjoys motherhood for the first time!

Although we are sad that some lovely people are leaving, we are thrilled to welcome our new members of staff, some of whom have been popping in over the last few weeks to get to know everyone and cannot wait for them to start full time in September.

We would like to wish all our Year 6s a wonderful break before they start their new schools! They have all grown so much since they have been here and we cannot wait to see how well they fit into their new environments, we are sure they will all thrive!

Lastly, we would like to wish everyone a very happy summer and look forward to seeing everyone back in September, bright eyed and bushy tailed on Thursday 6th September at 8.30am as normal, ready to hit the ground running and grow all those brilliant brains!

Cinderella and Rockerfella!

What a production! Congratulations to our Year 6s who performed their take on the Cinderella story this week, wowing the audience with not only their singing voices, their wit and their acting talents too! The show received rave reviews from everyone who attended and all agree it's a shame that Wednesday's performance was the last one! Thank you to all the Year 5s who came to support our Year 6s with their fantastic singing voices.

Fortnite; Parent Concerns

There has been a lot in the news recently about the game Fortnite, many parents across the country have expressed their concerns over the game and how it is open for anyone to contact people over the platform.

The educational support company; The Key have released a document aimed at parents and schools to advise people about what the game is and how to make sure your child is safe.
