Attendance	95%	93%	99%	97%	98%	95%	96%	97%
Lates	2	1	5	0	2	1	2	0

Well done London Class!

This Week In School...

Year 3 – have been writing fantastic setting descriptions based on the book 'The Tin Forest'. In Maths, they have been ordering number using their knowledge of place value. They have learnt to use the 'greater than' and 'less than' symbols to compare numbers. In French, they have been increasing their vocabulary and are able to ask each other their names and how they are feeling. It has been wonderful to see their confidence grow when speaking French to one another. They have started their Science topic learning about parts of the plants and beginning investigations about what seeds need to grow.

Year 4 – have been working at recognising the different types of apostrophes in English. They have practised using them to contract words and to show possession. They have also been practising writing expanded noun phrases about a dog. In Maths, they have continued learning about place value, they have found 1, 10, 100 and a 1000 more or less of a number, solved number lines to 10, 000 problems and worked really hard at dividing two- and three-digit numbers by 10. They have continued to be amazing scientists this week by investigating evaporation - they now know how washing dries on a washing line! In PSHE, they explored the Right of the Child and what that means as well as learning all about plastic pollution in Guided Reading as part of their book this term 'One Plastic Bag'.

Year 5 – have engaged themselves in a diverse range of activities. They have honed their artistic skills by mastering the art of shading, - creating stunning 3D shapes. In Maths, they've delved deeper into ordering and comparing numbers and learnt to use number lines. The budding writers among them have embarked on crafting a captivating narrative inspired by the thought-provoking video, 'The Girl and the Fox'. Additionally, they have embarked on a journey into physical geography learning how meanders are formed. In Science, Year 5 have explored conductivity by designing thermal insulative lunch bags for a hands-on experiment. It has been exciting week for us in Year 5!

Year 6 – have finished writing their fantasy stories about dragons in English and have published them. They have enjoyed reading these stories and have really impressed with some of the descriptive language they have used to describe characters and setting. In Maths, they are finishing the topic on place value, ready to move on to their new topic of the four operations. The children have created some great fact files about The Andes in Humanities and have now been finding out about the Amazon River and how oxbow lakes are formed. They are enjoying reading the class book, Floodlands, in Guided Reading and are gradually building a picture of the main characters involved.

Our office email is office@ivjs.school

Changes to Fridays' Bluebells

Bluebells on a Friday ends at 4.30pm. In order to book Monday to Thursday Bluebells, you are able to book in the same way however the Friday of each week will show as unavailable to book. To book for Fridays, please book under the new **Friday Bluebells** tabs.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Iver Village Junior School

Iver Village Junior School

Believe. Achieve. Succeed Together.

Don't forget we are a **NUT AND SESAME FREE SCHOOL** - we have children who have allergies! (let's leave them for the squirrels)

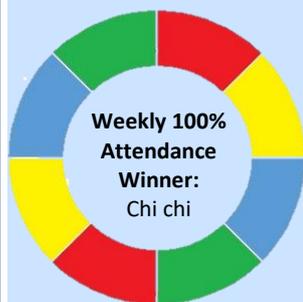

Date	Event
28 th Sept	London Class Coffee Morning, 9am
3 rd Oct	PGL Information Meeting for Parents (Online)
9 th Oct	Parent Drop Ins
13 th Oct	FISA Disco
16 th - 20 th Oct	Y6 PGL Week
23 rd to 27 th Oct Half Term	
30 th Oct	INSET DAY
31 st Oct	Children return to school

Parent Drop Ins!

On Monday 9th October at 3.30pm we would love you to 'drop in' to see your child's classroom and work. This will be an opportunity for your child to show you their work and their classroom.

Calling All London Class Parents!

Don't forget, London Class Coffee Morning will be on Thursday 28th September from 9am to 9.30am. Parents are welcome to join Miss Rowe and her pupils in The Diner for the very first-class event of the school year! There will be tea, coffee, biscuits and entertainment provided!

FISA NEED YOU!

Our PTA group - FISA are looking for new members and helpers for the upcoming FISA events.

Two of our longstanding FISA committee members stepped down from their roles at FISA's AGM this week as their children have grown up and left to go to secondary school! We would like to thank Mrs Burke and Mrs Pinkney for their years of help fundraising for the Iver Village Schools. This means we would also like to welcome Ms Beary as the new chair and Mrs Mackenzie as new secretary.

The next FISA event will be the Spooky Disco held on Friday, 13th October. If you are able to attend as a parent helper, please contact FISA via their Facebook page:
