Rosen	Whole class

Ivertastics!

Well done to:

Ria, Brume and Blu

Sportiacs of the Week:

Lower Sch	Julie
Upper Sch	Kyla

Our office email is office@ivjs.school

This Week In School...

Year 3 – This week have completed their brilliant poems in English. They used their five senses to help describe the changes that occurred during 'The Tin Forest'. In maths. they have been using their knowledge of addition and subtraction and applied them to reasoning problems such as word problems and inverse calculations. In art, they have completed their exploration of William Morris' work and used him as inspiration to create their own printing block. This also allowed them to begin to understand how repeated patterns can be made for large scale prints. In French, they used their words that they had previously learnt for colours and clothes and combined them using French conjunctions such as 'et'. For their word of the day this week, year 3 have looked at the meaning of the following words: comfortable, invade, ruthless, investigate and focus! They have worked really hard this half-term and both of their teachers are really impressed and hope that they keep up the good work next term!

Year 4 – This week Year 4 have edited and published their adventure stories about a poor plastic bag who was left abandoned on the floor of Gambia but given a second chance when a strong gust of wind blew him away. In maths they have been solving subtraction calculations involving three- and four-digit numbers and exchanging multiple times. In art they have made Benin style clay relief tiles and designed and made their own stamp and used it to make a repeat pattern. Year 4 have also excitedly been practising their song in music "Mamma Mia" and singing it every chance they get

Year 5 – have ended the term as we started it... very busy. In English we planned, edited and published a short narrative of the Kraken - a mythical creature in our class book 'The Journey'. During our Maths lessons we have been answering questions based on various types of tables and line graphs. All the children have managed to complete our DT topic - creating the final sewing designs onto book marks. Everybody has tried their best and have produced some amazing designs!

Year 6 The majority of Year 6 have been enjoying their residential activity week with PGL this week. Those children who did not go away have also had a packed and enjoyable week at school. They have taken part in a range of activities including decorating their own pillow case; taking part in a team technology challenge to make a fashion outfit out of 3 black sacks; learning about the different decades from 1950s until the 1990s and then creating a mood board linked to the decade of their choice; creating a 'nature art bug' using leaves and twigs; and stone painting. As well as this, they have all participated in various 'Taskmaster' challenges throughout the week, the favourite being 'Hide the penguin'! All the children in school have been fantastic and deserved a joint Brainiac for being such a great group.

FISA Xmas Cards

Please remember to place your orders via your child's School Money account under the 'Shop' tab by
3rd November.

School Photos

Copies of the photos have been sent home.
Please place your orders directly with Tempest.

Junior School

Iver Village Junior School

Believe. Achieve. Succeed Together.

Date	Event
25 th to 29 th Oct Autumn Half Term	
1 st Nov	INSET Day
2 nd Nov	Children Return To School
19 th Nov	Children In Need Day (Non-Uniform)
6 th Dec	Flu Vaccinations

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels) 

Show Racism The Red Card!

Thank you for supporting this cause today.
You can find more information or donate at <https://www.theredcard.org/>

Lateral Flow Testing

Lateral Flow Testing is thought of as something only secondary school age children and above have been asked to do however, they do still work for primary age children.

Parents can collect boxes of lateral flow tests from certain pharmacies or order a box online for family use. Although you cannot specifically order a box of tests for a child under 11 years old, you can test them with the LF Tests as part of the family.

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

**Have a lovely
Half term
and see you on
2nd November** 😊

Parking At IVJS

Please remember to park safely and sensibly when dropping off and collecting. There have been numerous complaints this school year and the Local PCSOs have been patrolling to make sure everyone is safe. Please be aware that they will be able to issue parking fines.

Interhouse Update

This week, IVJS have been competing in their classes at indoor Hockey. This is the first Intra-House event of the year, so it's the first chance to get a head start on Sports Day! Over the week all children have shown incredible resilience and sportsmanship and it was the closest Intra-House tournament that we've had.

The final results were –

- 1st - Pinewood
- 2nd - Ealing
- 3rd - Elstree
- 4th - Shepperton

Well done to all children and adults who competed, and to the winners Pinewood!

Multi Sport Clubs

Mr Hawkes will run after school club until 4.30pm from week commencing 8th November.

- Lower school on Mondays, from 8th November until 6th December.
- Upper school on Thursdays, from 11th November until 9th December.

Cost is £35 for the 5 weeks and bookings can be made on the Shop tab in your School Money account.

Letters/Blogs out this week:

Copies of school letters are available on our website

Words Of The Week...

Animosity **succumb** **wince**
jeopardise **imply**
