### A Very Royal Happy Birthday

This week saw Her Royal Highness turn 90 years young!

All sorts of events have been happening across the UK to mark the occasion. Here at IVJS, we took part in Clean for the Queen day that got our country spruced up and shiny for this week's big day. We also held an assembly to celebrate the day so from all of us here at IVJS, Happy Birthday Maam!

### Oh What A Beautiful School..

During the Easter break, some fantastic volunteers from Amey came in to sort our school grounds as part of their companywide initiative to give back to the local communities. They have sorted out all our hedges, cut trees back and even rescued our paths from creeping shrubbery giving our whole school a very smart new look. Thank you to everyone at Amey who came in to help.

### Year 6 SATs Presentation Evening

We would like to invite all our Year 6 parents and guardians to a Presentation Evening on Thursday **28th April from 3.15 pm** about the Year 6 SATs.

We will be discussing the changes to the SATs due to the new curriculum, the new way the SATs will be reported, details on the new 'Scaled Scores', how this will relate to the national averages and in turn, how your child's scores will be judged on the national scale.

Thank you.

### The Science Museum comes to IVJS!

Next week, our friends from the Science Museum will visit our Year 3s and Year 6s.

We will get to learn all about forces and find out about the science behind our Mission to Mars!

The teachers work together to make subjects interesting and fun while incorporating them in to the curriculum. The children show involvement, pleasure and passion for eco-schools and are clearly pleased that their voice is heard. ## Work of the Week

This week, we have two wonderful pieces of work, both from our stars in Lower School.

What kind of world would it be?	
If nobody cared about landfills, What kind of world would it be?	
If everyone was a bully, What kind of world would it be?	
If teachers didn't care for the students, What kind of world would it be?	
If recycling didn't exist, What kind of world would it be?	
If the world was all black and white, What kind of world would it be?	
If everyone shouted at each other, What kind of world would it be?	
If everyone ignored me, There'd be no future for me.

## OWL BABIES

One day there was 3 baby owls but they were asleep through the night. The mother owl went to get worms, snails, and bugs. The babies were terrified because they didn't know what their mother was doing! Dun, Dun, Dun!

Meanwhile the mother was hunting for food the babies were crying. The mother did not give any food but suddenly she heard gun shots. She was terrified! Dun, Dun, Dun!

When she heard the gun shots she was scared. She saw the gun she got it was a hunter. She did not know why because the hunter was leaving black worms head to bow. She flew very fast, faster than lightning!

The hunter was chasing her so she went faster than ever. There were lots of bushes around them so she hid the hunter by turning to go into the bush. She went behind him and took him down like a ninja. A minute later she was back to the box and my smile was like a big smile. She was on TV.
