### This Week In School...

**Year 3** – have been consolidating their learning and revising multiplication and division in Maths. In English, they have been completing their non-chronological reports on Tobago.

**Year 4** – have begun planning and writing an informal letter in the role of one of the characters from the text they are reading. In Maths, the children have been learning about decimals including how to round and order decimals.

**Year 5** – have been trying an alternative ending to their story based on 'The Princess' Blankets' in English. In Maths, they have been using their reasoning skills to solve perimeter and word problems. In Geography, they have been looking at the features of a mountain.

**Year 6** – have been working hard in rehearsals for their end of year production and it is gradually taking shape. They have also been very creative and have produced some lovely painted plant pots, into which they then each potted a plant ready for selling at the Summer Fair. The children have also had a fun sports day and inter-house athletics challenges.

### Sports Day!

On Wednesday, IVJS held their annual sports day! In the morning children competed in their houses by doing activities on the playground. The activities ranged from football, bean bag throw and basketball shootout. Well done to all the Year 5 Sports Leaders who ensured the events ran smoothly and to Harley and Jake who were incredible goalkeepers!

In the afternoon, IVJS competed in their houses in many different races in front of lots of parents! All IVJS pupils competed incredibly well showing sportsmanship and determination throughout the afternoon. Well done to the overall winners Shepperton!

## Harry Potter Evening

We had such a fantastic night on Friday with our very own Harry Potter Evening! Each person attending got to find out which house they belonged to with the incredible Sorting Hat whispering to cupcakes of all things, to reveal the houses. A special thank you to Hogwarts for the loan of the hat by the way.

We got to make a whole host of potions, made letters that love a good chew on book pages (they make great bookmarks!), drank butterbeer, played a good ol' game of Quidditch and even made our very own wands!

Now, I think I need a little more practise to make mine work...

We are holding a meeting on Monday evening to discuss the content of both year group's curriculum and for parents to ask any questions.
