This Week In School...

Year 3 – have begun to write their own stories that tell the tale of a pebble’s journey to our pockets. They have worked hard to think about the language they use and how it paints a picture for the reader. They have also worked hard in Maths as they have started to use and apply the expanded method for addition. It has been tricky but they have shown great perseverance and commitment to their learning.

Year 4 – have continued working on their place value including rounding negative numbers and Roman numerals. In English, they have written two poems about the *Tin Forest* using adventurous vocabulary!

Year 5 – have started writing a descriptive narrative on *The Journey* using personification and onomatopoeia. In Maths, they have looked at negative numbers and how it would be used in real life. They have investigated properties of materials in and around the classroom in Science too.

Year 6 – have participated in the Heathrow Coding Challenge and had a fantastic morning! They have also edited and begun publishing their various story openers.

Holiday Club Is Back!

We will be running a holiday club again during the October half term from Wednesday 25th to Friday 27th October.

As before, you will be able to book online via our website (look for the pumpkin on the home page!), clubs start at 8am and run through till 5.30pm with the option to book either full days, mornings or afternoons. Although snacks will be provided throughout the day, children will need to bring packed lunches and snacks for the day.

Siblings are welcome but please make sure you inform us of any medical or dietary requirements if they do not attend IVJS.

Guess The Name

Well done to Leon who guessed our teddy’s name at the birthday party last weekend.

I’m sure Douglas the Teddy will love his new home.

Artists of the Week!

Browne – Harry

Dahl – Katelin

Kipling – Johnny, Leon

Morpurgo – Tia

Rowling - Eva

Please remember to keep an eye out for nits this term!

Don't forget we are a nut free school as we have children who have allergies!

(let's leave them for the squirrels)

We Are 120!

In September we celebrated our 120th birthday. It was wonderful to welcome back to the school so many ex-pupils. Thank you to everyone who came along, it was delightful to have so many people celebrate our wonderful school's birthday.

Sainsbury's Schools Games Mark

Over the last few years we have worked hard to develop sport at IVJS. Part of this work has been to increase the number of children taking part in sports clubs and also to take part in county tournaments. Mr Hawkes, our Sports Coach, has worked tirelessly to encourage every child to become involved in sport. As a result of this work we are very proud to announce that we have been awarded the **Silver Games Mark**.

Dolce Lunch Accounts

Dolce are well on their way to being completely cashless this school year and so would like to thank all of the parents who have already opened accounts and set up direct debits.

We would also like to make every one aware that lunch accounts will be frozen if they go over 3 days unpaid (equivalent to £7.20).

Once this happens, text messages will be sent to parents informing them that the children will not be fed a school dinner until the account has been cleared. If you receive a message and think that it may have been sent in error, please contact Mrs Poole in the school office.

The Summer Postcard Challenge

Thank you to everyone who sent postcards over the summer, they will start our collection of postcards from all corners of the earth! Well done to our winners of the competition, Josh K, Miles, Tia W, and Ruby W (with a special thanks to Mr Tang and Miss Digweed for their contributions too!)

Calling All Free School Meals!

Are you entitled to free school meals? Every school gets extra funding for every pupil that is so even if you are entitled but not claiming if your child eats packed lunches, we could be missing out! Students in Year 3 are no longer funded for universal free school meals, many parents miss out by not checking! To see if you qualify for free school meals, ask for an FSM form from reception.

Heathrow Coding Challenge

On Thursday this week, our Year 6 took part in the Heathrow Primary Coding Challenge. They learnt all about cargo movements at Heathrow Airport and then had to program the computers themselves with the correct code to send the cargo to five different aeroplanes! Thank you again to our friends at the airport who are always coming here to help.

Don't forget; You can book your child into child for Early birds and Bluebells online!

Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3>

or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, we do require parents to inform us. Any children left in our care after school hours will incur an extra £2 on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
