Well done Snowdrop- you showed real determination!

This Week In School...

Year 3 – have had great fun on Wednesday with Water Fun Day! Especially Miss Couves and Miss Trainor! In English, they have been writing explanation texts all about the human body and its function. In Maths, they have been practising formal methods of addition and subtraction and applying them to problems.

Year 4 – have had an amazing day for Water Fun Day too! Miss Bjorck and Miss Parveen thoroughly enjoyed getting the children with the water guns! In English, they have been writing fantastic playscripts for *Jack and the Beanstalk* and have done some work on multiplication and fractions in Maths.

Year 5 – have started to write an information leaflet about mountains. They have researched them and spent time learning about how plates collide and how the millions of tears create ranges.

Year 6 – have continued their amazing Go-Givers project, raising money and awareness of the charity *First Touch*. They are hoping to raise some money with today's sponsored silence/sponsored run! The production gets better and better every time they practice!

Sports Day!

Sports Day will be next Wednesday 28th June.

Thank you to all our parents for being understanding and bearing with us in the hot weather.

Although we had a lot of fun this week with the water activities, we can't wait for Sports Day and can't wait for you all to join us.

Parents will be welcome from 1.30pm on the playing field at the back of the playground to support the children's teams.

Don't forget, we also have a professional photographer coming in to take some action shots of the day, photos will be available for parents to buy.

Parking and Road Safety

As part of our Road Safety concerns for the area, we would like to draw your attention to the situation with regards to parking around the school.

As you are aware, parking is normally scarce and many parents have taken to parking in local roads, unfortunately some residents have complained about the unsafe parking of some cars.

Please remember it is illegal to park your car unsafely, a wide distance from the kerb or parking within 10 metres (32 feet) from a junction/corner.

Artists of the Week!

Daisy – Jujhar, Lacey E and Nafisah 

Primrose – Ella and Suehellen

Daffodil – Ilyana and Sam

Sunflower – Ellie, Brendon, Aswini and Lacie 

Please remember to keep an eye out for nits this summer!

Don't forget we are a nut free school as we have children who have allergies!
(let's leave them for the squirrels) 

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Wow Work!

Each week we will showcase some fantastic work focusing on a particular class. This week, the spotlight is on...

Primrose!

The Hobbit

One phenomenal spring morning, the flowers were blooming; with the bees buzzing around them. The clouds looked like candy floss as they lazily drifted across the blue sky. Next to a hill was a man called Bilbo, and he was sitting on his crimson red bench, his feet were like flippers and his ears were like elves. Then suddenly out of the blue, a tall figure came prancing up the old dull path his beard was like a grey squirrel glued on and his hat was like a pythons tooth.

Bilbo muttered, "good morning", with a perplex face. The old man replied, "good morning to you too" Bilbo uttered, " can I help you with anything." The old man replied, " yes, I'm looking for Bilbo. By the way I'm Gandalf the great ," in an aggressive deep voice. Without a thought , Bilbo shrieked, " I'm Bilbo, Bilbo Baggins Gandalf gasped" my you've grown, not too much though your still a bit of a hobbit," Gandalf uttered."
